## **673 Flooding**

The Vice Chairman, Councillor Marks and the Chairman of Ellisfield Parish Council have met with 3 of the 4 local landowners involved with the flooding in Ellisfield and Axford. The Portsmouth Estate, Mr Rule, from Ellisfield and Moundsmere Estate were all aware of what was required and looking to support what work needed to be carried out.

The Lengths Man role was seen as being key to ensuring local knowledge is used to keep pinch points clear and making sure water is directed into the gullies and flood pits. The Vice Chairman and Councillor Marks plan to travel through the valley and identify all the areas of concern so the Lengths Man can inspect twice a year. If possible the Lengths Man will clear the blockage but if not it is to be reported to the Parish Council so action can be taken.
