Introduction to Pro Ethnos Fire and Rescue International Training

Pro Ethnos Fire and Rescue International was established in 2015 and is accredited as a service provider with South African Emergency Services Institute (SAESI), South African Maritime Safety Authority (SAMSA), the Local Government Sector Education Seta (LGSETA) and Transport Education Training Authority (TETA).

We are in partnership with several other Training Companies that enables us to offer Mining Qualifications Authority, QCTO, Construction Education and Training Authority (CETA), and the Department of Labor training.

Pro Ethnos Fire and Rescue International Rescue campus is based in Sundra, on the border of Gauteng and Mpumalanga.

Our learner programs are focused on providing the learner with the ability to apply the required skills and knowledge in his /her work environment. We give our students valuable hands-on experience at our on-site rescue simulators as well as going out on call outs through our Volunteer services.
