

Hello!

The flowers are blooming, the bees are buzzing and your Clutter is out of control! Whether you are cleaning out a room or closet, changing out wardrobes or trying to organize a garage sale, these time consuming tasks can pull you away from enjoying the people and activities you love most.

During the holidays I helped couples and women with the overwhelm that comes with that time of year. Because my holiday package was so popular I have decided to offer it again to give you a "SPRING BREAK!"

Here is what Karen had to say:

"Michelle helped us with gift wrapping for the holidays, laundry and putting away Christmas Decorations. Michelle was a complete life saver! I was in a severe amount of pain, have small children and Christmas was just a few days away. Her service allowed my husband and me to breathe and took away stress that comes with the holidays. Michelle was kind, pleasant, efficient (she was able to accomplish a lot in the three hours we booked her), and trustworthy. We have had her back since my surgery and would recommend her to family and friends".

I am offering special pricing but only for a limited time, you can take advantage of this springtime offer by purchasing more than one package. Let me help you so that you can stop to smell the roses!
