About Us

On My Way Concierge was founded to provide high quality concierge services to busy on-the-go or home-bound adults over age 55. We service the Lake Grove, Middle Country, Stonybrook, Smithtown and St.James areas.

We offer piece of mind with our personable home care checks along with support for those that need a little help but are still very active. We do not provide medical care.

We are more than just a delivery service!

These personalized services are available 5 days a week and can be customized to meet individual needs. If you don't see a service you are looking for, just ask! Hourly & package rates available.

Shopping for the lowest price may be okay for groceries, but not the services of a trained senior concierge. Remember....hiring a "bargain" concierge can be a risky decision that far outweighs the money you may save. Please visit our website for rates.
