SPONSORSHIP FORM

The Lake Stevens Youth Cheer program proudly supports Lake Stevens Youth Football with our spirited cheers! Serving youth aged 5 to 18 in the North Puget Sound Region, we focus on teaching safe and fundamental sideline cheerleading skills. Join us in nurturing the next generation of spirited cheerleaders.

As a non-profit organization, we cannot thrive without the continued support and assistance from our many wonderful sponsors. Your generous donation will contribute to the mission of LSYC in several ways. **League** donations will aid in reducing the registration cost, ensuring that it is more affordable for families, and in providing scholarships for those in need. **Squad** donations help fund extra gear and team parties at the end of the season, enhancing the overall experience for our participants.

Donations are tax-deductible and can be made in any denomination; a tax receipt is available upon request. For donations exceeding \$500, sponsors will receive a photo plaque of the specific team they've sponsored, or a "Thank You" plaque from LSYC for direct league donations.

We appreciate your support this year and hope we can count on your continued support in the future.

Please make checks payable to LSJAA Cheer. Checks may be mailed to:
