Registration

Project selection and customization information for your project is required at the time of booking on our registration form. Please be sure to double check your spelling and information to ensure your project stencil and materials will be ready for you at the start of the workshop.

Workshop Cancellation Policy

Due to the custom nature of our studio, registration fees are non-refundable. Registration cancellations made at least 24 hours in advance of a workshop will be granted a credit for a future workshop. The credit is valid for up to one year from original scheduled workshop.

Due to staffing, we reserve the right to cancel workshops if attendance is below 2 attendees.

Private Party Cancellation Policy

A deposit is due when booking your private party. Once the minimum number of participants (2) is met, we will refund your initial deposit, or apply it to the final cost of the private party. If you are unable to meet the minimum, the deposit will be forfeited. If you choose to cancel your private party the deposit will not be refunded due to the nature of our studio and the demand for private party times on our calendar.

For private parties, we require all attendees to register and provide complete customization information for their project at least 36 hours in advance so we can prepare the materials for your party.

Project Change Request – For Make Your Own Project classes

If you would like to make changes to your project within 48 hours of your workshop, we

would be happy to accommodate your request for a \$10 stencil recut fee, payable upon the start of your workshop. Changes made prior to 48 hours are done free of charge.

Age Restriction

Due to the tools used, the stain, and our liquor license, infants and children under the age of 16 are not permitted in any of our Studios while a workshop is being held. If a participant brings an infant or child, they will be asked to rebook for a different workshop when they can attend 'child' free and enjoy the educational experience fully.

For children under the age of 16, we do offer child focused classes, the ability to book private children or teens parties! Contact The Little Blue Craft Barn for more information
