RESET PASSWORD

The screenshot shows a web form for resetting a password. At the top, it says "Reset your password for accounts@robertcostello.com." Below this is a yellow input field containing seven black dots. Underneath is a white input field with the placeholder text "Confirm password". At the bottom center is a grey button labeled "Set password".

6. Not that fast, you still have to follow some simple rules. Passwords need to be at least eight characters long, and you must enter the same thing twice.

RESET PASSWORD

The screenshot shows a web form for resetting a password. At the top, it says "Reset your password for accounts@robertcostello.com." Below this are two input fields. The first field contains four black dots. Below it is a red error message: "Passwords have to be 8+ characters long." The second field contains three black dots. Below it is another red error message: "Passwords are not the same". At the bottom center is a grey button labeled "Set password".
