

The Fox (River) Hunt

Saturday 7 Oct. 2023

"A-Hunting We Will Go!" (MGs, that is!)

CMGC and VMGCC members are encouraged to drive our LBCs on a fall afternoon for a couple of hours on country roads near the lower Fox River.

We'll meet at the historic *Gray's Mill Estate* at 211 N. River St. in Montgomery for lunch at 12 noon.

Spend some time looking around this former mill that has been converted into a restaurant and bar. If the weather is decent, we can eat seated on the deck that overlooks the river..

The drivers meeting will be at 1:30 p.m.

NAVIGATORS ARE STRONGLY ENCOURAGED. Why not bring a guest - especially a younger one, so that we can introduce her / him to the pleasures of vintage British sports cars?

We'll start along the (Fox) River, and we'll end up along the (Illinois) River - at the *Dockside Bar and Grill* in Ottawa.

On route will be several historical sites - either for a brief stop along the way, or for a longer stop afterwards.

Bring a jacket (since the temperatures might be cool), as well as folding chairs, as we might want to sit outside (if the weather is mild) at the end of the Hunt.

RSVPs (to mgtbc@sbcglobal.net) are needed by Tue. 3 Oct.

Save the date - and see you then!

Safety Fast!
