## Example of packaging

### Twist-Off Tie

**The new, safe and easy Way of Twisting  
Off Ties!**

**\*Simply apply twist tie and twist off by hand.**

**\*Saves time**

**\*No need for scissors, utility blades or knives  
to cut ties.**

**TWIST OFF END TO BREAK**

Directions for use:

Circle the tie around the objects  
that you wish to bundle.

Thread the tie through the  
square notch on the back of the  
tie.

Tighten the tie until you have a  
tight fit.

Twist excess tie to  
the right to remove.

Worldwide patented cable ties for fast, trouble free  
bundling of cables, harnesses, wires, hoses, etc.
