John of God & the Crystal Light Bed

Who is John of God?

John of God is an internationally renowned spiritual medium who has been doing healing work in Brazil for over 50 years. People come from all over the world to visit the Casa de Dom Inacio, the healing center where he does his work. Miracles occur daily, and lives are changed. Healings occur on the mental, emotional, physical and spiritual levels. John of God incorporates very highly evolved beings called “entities” in Brazil who work through him to help others. Some of these benevolent Spirits include St. Ignatius, King Solomon and St. Francis to name just a few. In recent years, John of God has visited many countries including the U.S. to bring hope to millions.

What is a Crystal Light Bed?

A crystal light bed is one of the healing modalities used at the Casa de Dom Inacio. It is a spiritual treatment device that uses colored light beams focused at your chakras or energy centers through seven very pure quartz crystals. The alternating lights produce a balancing effect on your energy body as you lay with your eyes closed and meditate to soft relaxing music. While your energy body is receiving this external assistance to stay in balance, the benevolent Spirits of the Casa de Dom Inacio can work on you very deeply. The Casa de Dom Inacio in Abadiania, Brazil, has approximately 20 rooms dedicated to crystal bed treatments. In addition, there are crystal bed practitioners in the U.S. who have received permission from John of God to bring back crystal beds from the Casa to their own locale.
