The PHS Philadelphia Flower Show is the nation's largest and longest-running horticultural event, and features stunning displays by the world's premier floral and landscape designers. Started in 1829 by the Pennsylvania Horticultural Society, the Show introduces the newest plant varieties, garden and design concepts. and organic and sustainable practices. In addition to the major garden displays, the Flower Show hosts world-renowned competitions in horticulture and artistic floral arranging, gardening presentations and demonstrations, special events, and a mammoth indoor Marketplace. The Philadelphia Flower Show has been honored as the best

event in the world by the International Festivals & Events Association, competing with events such as the Kentucky Derby Festival, Tournament of Roses Parade, Indianapolis 500 Festival, and other international celebrations. The annual Flower Show is a top destination and "must experience" horticultural event, attracting 250,000 visitors annually to the Pennsylvania Convention Center, a showcase of excellence that dates back to 1829.

This year's show, entitled "**The Garden Electric,**" captures that spark of joy that comes while giving or receiving flowers. From the dazzling array of colors, unique shapes and textures, and rich fragrances of gorgeous floral displays and gardens come feelings of excitement and celebration.
