

Newsletter - Recap of May 9th Townhall

TEXIAN TIMES

We would like to thank everyone that joined us for our May 9th townhall & Congressional session in Montgomery, Texas. Our hosts at “H-Wines” Winery & Restaurant were amazing and we appreciated their hospitality and the great food!

We are grateful for our two presenters, James Lury & Penny Story, that shared valuable information.

It's helpful to others to hear personal experience of success from using remedies others have researched and applied in their situation. James discussed the DMV, traffic court and dealing with the police effectively. Penny shared how to obtain the Oath of Office & where to find the “Statement of Officer”; the words the Oaths actually mean and how effective these can be to use against them due to their violations of their Oath. She also discussed the enumerated powers of Congress and the President. The Communist Agenda in the Congressional Record of 1963 was shared to show how much of it has already been implemented into our lives due to We The People allowing it.

Our next three townhalls will be in Kempner, TX! Watch for the newsletter in the next 2 weeks for exact details & location. Reminder: If you would like to be included in the Common Law Grand Jury classes provided by Susan Miller, please email your name, contact info & county to: RemediesMember@gmail.com. Classes are every Thursday via Zoom at 7pm CST. Link provided Weds before.
