To: The People of the republic of Texas

Due to the questions, we are receiving regarding the 27<sup>th</sup> congress, I wanted to provide the answers.

The elections in September 2023 were conducted by the same constitutional rules since 2006. The new president, vice president, and the 28<sup>th</sup> congress were elected and sworn into office. At this time the 27<sup>th</sup> congress was and is adjourned. The group claiming to be the 27<sup>th</sup> congress is not part of the official republic of Texas government. We continue to meet on the second Saturday every month. Please visit our website: <https://therepublicoftexas1836.org> where we will post the meetings, dates, times and place each month.
