Is YOUR family and community prepared for a possible shutdown of the grid or for a terrorist attack or natural disaster? Are you going to be able to communicate with loved ones should there be an EMP strike? Are you knowledgeable on water filtration or how to handle an emergency?

Your Dejure/actual government, the republic of Texas, is hosting a CERT trained expert at our upcoming town hall being held in Haltom City, TX for the first time! Chris Herzog, retired AA pilot, will be speaking during our townhall, educating the public on “Advanced Family Readiness” & sharing essential information to help every family and community with emergency preparedness strategies; how to properly store and filter water, safe for drinking; how to build teams that will be able to communicate with each other if the electric grid goes down and how to survive natural disasters , EMP’s & more! Prepping info available! Q & A afterwards!
