Agenda:

****10:15 Paula Baron PT, certified Pilates instructor, Aroma Freedom Practitioner. Physical Therapist, turned wholistic wellness practitioner, will be discussing EMF harm, electrical and chemical safety in the home. Ever wondered if your cell phone or your WIFI router was a good idea for your health or your little ones? Come learn about safety in your own home, both chemically and electrically. Q & A afterwards**

****11:00 Jeff Morgan, Veteran & Christian Missionary. Jeff is family court veteran also, who is fighting against the fraud and abuse of an unjust court system. He has been a court watcher for many and will be discussing how the destruction of families is affecting communities and society; a warrior for truth and justice and has testified many times in Austin and on many platforms. He helps other victims expose corruption via YouTube videos on his own channel. Jeff recently interviewed our very own Vice President, Billy Ford, and the video will be on our website very soon!**

****12pm Twig Jones, Clerk, Republic of Texas, Robertson County; CBN Prayer Staff Coordinator & Counselor - Topic: Principles to Dream Interpretation: A totally different economic perspective**

****1-3pm Congressional Session**
