I, Ed Brannum, have been involved with the republic of Texas since Dec 13, 1995. I became a Texian at the Cotton Gin in Bulverde Texas. I have not given Mike Blackwell, Steve Berryman or the 27th Congress permission to use my name for the purpose of impeachment of any members of congress or any elected officials. I do not support the actions of Mike Blackwell, or Steve Berryman. The 27th congress was retired on Oct 9th, 2023 following the election return meeting. The 27th congress has no authority to have trials. The 27th Congress does not have authority to impeach or indict any member of the 28th congress, executive, or judicial branch of the republic of Texas,
