

Newsletter – April 2026 Recap

TEXIAN TIMES

therepublicoftexas1836.org

Thank you to everyone that joined us for our public town hall in Montgomery, Texas on April 11th in person and via Zoom!

For those that were unable to attend, we heard a great presentation by one of our Representatives regarding the “Trading with the Enemy Act” and the “Emergency Banking Relief Act of 1933.” Billy Ford honored the legacy of Ed Brannum during Congress. Ed Brannum passed on 2/24/2026 and will be missed by all of us.

A reminder about the “circular” training for forming Common Law Grand Juries was discussed. This is not related to the republic of Texas, however, one of our Texians will be conducting the training every Thursday at 7pm CST via Zoom.

If interested in attending the training, which is open to the public, please send your email, name, county & state to Susan at:

RemediesMember@gmail.com

Zoom links will be emailed prior to each meeting.

Please remember to bring others that are interested in learning the correct process of forming the Common Law Grand Jury and anyone you may know that has been harmed by Oath takers, public servants, officials, or agents of corporations.

Examples include, but not limited to: unlawful removal of children, guardianship issues, deprivation of rights under color of law, oppression, freedom of speech violations, stolen property by Oath takers, or concerns of the welfare of people in your community caused by EMF harm, Data Centers, etc.

Please share on your social media pages & within groups you are in!
