

## WEDDING and PARTY Testimonials

Richie...

I just want to thank you so very much for such a wonderful job you did on Saturday at my son and daughter-in-laws wedding ! We all had such a fabulous time. He called me at 7:30 this morning and told me that you played the clip of Colin and mentioned the wedding on your radio show. Unfortunately, I took the day off from work and slept in, so I missed it. But he was impressed that you mentioned the wedding itself.

As you know, weddings are very special and you helped make ours even more so.

Thank you again for sharing in our day and I hope you had a good time as well. You made it very specialized for us all.

Greatfully,

Rhonda Bouchard

Richie is the best DJ HANDS DOWN!! He is funny, outgoing and loves to get people out on the dance floor. He has a great selection of music and knows what the crowd wants to hear, no matter what the function is. I give him four stars! \*\*\*\*

We were both concerned, because it's hard to get our families to have fun. But Richie had everyone on the dance floor, and many friends and family members said our reception was the most fun they'd ever had!!!

Hi Mr. Phillips,

I wanted to thank you again for doing such a wonderful job at our Winter Bash on Saturday night. It was really great to see everyone dancing and having a good time! This year's event was much improved from last year and I know that you were a big part of that. Thank you!

I have contacted Richie on numerous occasions to provide entertainment at our company events. Richie has done many holiday parties for us. From cocktail hour on his keyboard to getting everyone out on the dance floor after dinner, he's the best! Two years ago, we had our first annual employee appreciation night. We had never done this sort of program so we relied on Richie as our master of ceremonies. With his help, our evening was a great success .....What a hoot!

We had Richie dj our 25th anniversary/wedding renewal a few years ago. He does an awesome job. Family & friends still comment what a fun time everyone had. If I have any events that need a dj for, I would certainly have Richie.

Thanks so much Richie! We had a great time! You were awesome! Many compliments to you from the crowd!!! We loved everything about the entertainment from the beginning of the ceremony all the way to the end of the reception. We will definitely recommend you to friends and family!!! 5  Tracy and Shane Sprague

...the last thing that made the evening incredible was Richie Phillips. Somehow Richie went from just being a guest at the wedding to doing the music for the ceremony, and DJ for the reception. I told him this that night. " You know Richie, I didn't want for you to have to work at my wedding and I felt bad that it somehow became this way but I don't feel bad anymore. No one could have done a better, more professional yet entertaining job!" I was very impressed!

So there you have it. If you want to have an incredible wedding that people will rave about for years to come. If you want it to seem like you spent WAY more than you really did. ( No matter how big or small your budget) Try to involve Richie Phillips. You will not be sorry.

Hi Richie, First everyone at the reception commented on how wonderful of a job you did and that you were alot of fun. The parody song you did for us was a great hit!  
Nancy Quinlan

How can Bob and I ever thank you for that wonderful parody you did for our 50th? It was absolutely perfect. We keep laying it and laughing and laughing. Bob still blushes at some of his faux pas you pointed out. It took so much work and you managed to include so much! We thank you over and over and we'll remember a very special day shard with very special people.

Richie,  
Ed and I just wanted to let you know that your CD was by far the very best of the best last night. There were lots of news media there and just about every one came up to us after the presentation to tell Ed and me how creative and great it was. They are all very familiar with your creativity and you received many compliments. Several of them spoke (DiNicola, Liz Bishop, etc.), but nothing could compare -- although I must say Liz had some great lines.

Hopefully, see you soon,

Richie's entertainment brought the party to life! His hilarious customized song written especially for us was the highlight of the party and gave my family a great memory that will last a lifetime. Richie's talent made the night memorable and joyous for the entire family.
