Everyone was raving today about what a good time they had last night – it was light, breezy, funny and just what they needed after a long day!

Again, many thanks – we all truly enjoyed!!!!

The NYS Radio and Television Broadcasters were delighted with his unique entertainment style during our recent convention

Joseph Reilly- NYS Broadcasters Association

Our company just hosted a company Christmas/retirement party and used SCH entertainment for a musical entertainment when Scott told me we were getting Rhymin' Richie PHILLIPS I knew exactly who that was that we were all very excited. Let me tell you, it was a real hit. The retiree told me the special song he wrote (for our honoree) was the best part of the night. Richie also had someone video it and send it to me so we could share it with others. Let me say I am still singing it five days later. He was very professional and accommodating as well with our needs. Thank you for helping making our party unforgettable and we will definitely use your services again.

We have gotten nothing but compliments about our Company Theme Party! Everyone loved it and they had a great time! The karaoke was WAY more popular than we expected, so we'll have to talk through some options to limit it for next year...We will definitely be in touch about next year's event!

Pamela O'Connor, ACLAIM Conference

"His flexibility to our scheduling needs, and his ability to adapt to our varying programs and audiences throughout our conventions are as invaluable as his talent"

Marcie Bannon, Professional Insurance Agents, Atlantic City Convention Harrah's Trump Plaza

"His parodies were a welcome respite from our program of speeches and provided us all with humorous insights into America's political scene"-

Raymond Schuler, President, NYS Business Council, Albany Convention Center

Richie wrote and performed a customized song saluting our retiring CEO. His witty parody was synchronized to a video produced by a local advertising agency. It was definitely the highlight of the function, which was attended by more than 300 people. Richie is truly a comedic genius and a masterful entertainer.

Linda Dickie, Marketing Director
Hudson River Community Credit Union

I have contacted Richie on numerous occasions to provide entertainment at our company events. He's the best! Two years ago, we had our first annual employee appreciation night. We had never done this sort of program so we relied on Richie as our master of ceremonies. With his help, our evening was a great success. Richie worked with us on the event this year, too, including meeting with us in the planning stages with games, etc., and getting our audience involved.... I knew he would be the musical host I would call on from then on and pray that he wasn't already booked!

Sandy Collins, Human Resources Manager
1st National Bank of Scotia

We hired Richie to "entertain the troops" at our 2005 holiday meeting. He was very funny and our members had a great time listening to his crazy songs. He definitely added lots of laughter and enjoyment to this event!
