Yes, **RHYMING** is my life. I’ve been writing and performing novelty songs for over 2 decades on morning radio in Albany, NY (**Sean and Richie Show, WGNA**)

But I also do corporate functions as well, providing DJing and **“Keyboard Comedy”** for all your entertainment needs. A couple of quick ideas below...many more on my website and on **Facebook @rhymrinrichie.**

WAYS TO HIRE RICHIE

Here’s just 2 ideas ...

. **Background piano for your cocktail hour - then after lunch or dinner, return again (standing up) and performing funny songs, music trivia - maybe even a song about your group or special person. Great for retirements or recognition nites!**

. **Give me a very serious intro and I’ll pretend to be a guest speaker. Then, about 2-3 minutes in- reveal the keyboard and do my “shtick”.**

(and yes- I can DJ afterwards for dancing -a whole evening of FUN!)
