Greetings from the staff and Board of Directors of Kinship of Morrison County. I am pleased to provide you with our financial overview from 2020, a year that was unlike any other.

Kinship has been serving youth in Morrison County through mentoring and group activities since 1974. We strive to live up to our Mission Statement; "to provide a one-to-one friendship in the most whole-some way possible with the intention that the child could show noticeable improvement in personal development." The youth we serve come from homes where they don't live with both parents. Youth benefit from the influence of another positive adult in their life.

The was a year of "bookends" in regards to recruitment & making matches, thanks to Covid & mandated restrictions to gatherings. In total, we made brought ten new friendships together during the year. Our group activities began strong and then flourished throughout the summer. It was obvious, based on attendance, that our outdoorbased activities were a hit for families & volunteers anxious to gather together. Topics included biking, canoeing, fishing, a night at the shooting range, go-carting & a night at Lake Beauty Bible Camp. Unfortunately with the fall came more mandated restrictions & increases in Covid cases. We hosted a virtual bingo night during Christmas vacation to mark the end of 2020.

Financially Kinship was very blessed. We hosted a new fish fry fund-raiser just prior to the Covid shutdown in March. Unfortunately our Cook-off was a no go (twice actually). The silver lining were the online auctions that we hosted in the spring & fall. Between them, an increase in individual donations and several grants (including funds from the non-profit-focused round of Cares Act dollars), we ended the year well financially, which was great considering 2019's bottom line..

I deeply appreciate all of the efforts of our volunteers, donors & sponsors. Your giving of time & resources make positive youth development through Kinship a possibility. In 2021, we look forward to forming new friendships, and maximizing the impact that our group mentoring activities have on Kinship's participants & the community.

Sincerely,

Aaron Olson

January 2021

Independent Financial Review - Kinship of Morrison County

Dear Kinship

I recently completed an unaudited internal review of the finances for Kinship of Morrison County Inc.
This covers the 12 month period from January 2020 to year end in December 2020.

The purpose of this process was to double check the accuracy of the financial records as originally entered by Kinship Executive Director, Aaron Olson.

The records when comparing Kinship's internal Quickbooks record keeping to the monthly bank statements have matched.

One change that will have to be made was brought to our attention after I was given the books to review. A grant from the MN DNR for \$4,000 for "No Child Left Indoors" was not approved to be used for an outdoor trip to Northland Kart Country as it was not deemed to be educational in nature. Thus only \$1608.10 of the \$4,000 will be income in the 2020 year and the remaining balance of \$2391.90 can be used until June 2021 and will be listed in the 2021 books. This will impact profit and losses for both 2020 and 2021 but even out after this year when used.

As a member serving on the Kinship Board, with my understanding of the basic accounting principles I can verify the accuracy of these financial records matching our bank balances in the 2020 calendar year.

Sincerely,

Corey Fink
