New Business

New Business

Discussion and/or action to authorize the Town Manager to go out to bid for the purchase of a used street sweeper.

Babaletakis requested permission to seek bids for a used street sweeper, as the current one has been non-functional for over a year. She specified the desired criteria for the used sweeper, including low mileage (under 25,000) and low hours (under 6,000), with a maximum cost of \$20,000 including delivery.

Motion to authorize the Town Manager to go out to bid for the purchase of a used street sweeper made by Council Member Ahmann, second to the motion made by Council Member Brown.

Voting in favor of the motion were Council Members Dorrell, Ahmann, Waddell Reyes, Carrillo, and Brown

Discussion and/or action to authorize the Town Manager to go out to bid for the purchase of a used water truck tank.

Babaletakis requested authorization to go out to bid for a used water truck tank to replace the severely damaged tank on their existing working truck, explaining that a new truck would cost around \$50,000, while a replacement tank is estimated between \$11,000 and \$12,000, an unbudgeted expense for fiscal year 2025. In response to a question from Council Member Waddell Reyes she clarified that funds would be reallocated from existing unspent budget within public works and council capital outlay.

Motion to authorize the Town Manager to go out to bid for the purchase of a used water truck tank made by Council Member Brown second to the motion made by Council Member Waddell Reyes.

Voting in favor of the motion were Council Members Dorrell, Ahmann, Waddell Reyes, Carrillo, and Brown
