

Quick Health Guide

1

Must be symptom free

We are a well-child care facility. All children must be symptom-free. If symptoms are present that are not contagious a doctor's note must be on file indicating condition.

2

If a fever was present

Must remain home. May return when fever-free WITHOUT the use of fever reducing medication for 48 hours.

3

Back-up care

Please help us keep everyone healthy by keeping sick children at home. Plan ahead and have back-up care available.

Email us at contactusesrkidsrise.com for further inquiries.
