## RISE AND SHINE'S CRIB NOTES

☀️ See You Later ☀️

### Journey & Ila

This month, we're sending two of our bright little stars—Journey and Ila—off to their next big adventure! 🌟

From giggles during play time to gentle moments of discovery, we've watched these amazing friends grow, learn, and light up our days here at Rise and Shine. Their curiosity, kindness, and joy have touched the hearts of teachers and friends alike.

As they take their next steps, we celebrate all the milestones they've reached and all the new adventures waiting ahead. We'll miss their smiles and laughter, but we know they'll continue to shine brightly wherever they go.

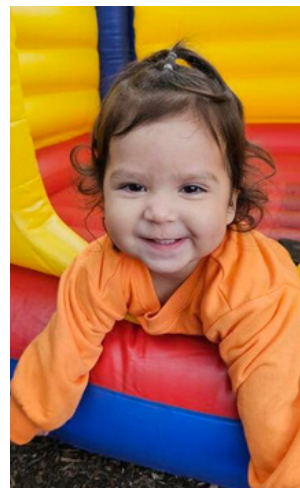

Thank you, Journey and Ila, for being part of our Rise and Shine family. This isn't goodbye—it's see you later!

🌟 Keep growing, keep exploring, and keep shining! 🌟

### Rise and Shine Community Outreach

At Rise and Shine Child Care Centers & Family Services, we believe that caring for our community extends far beyond the classroom. Through our ongoing outreach programs, we're honored to support local families and partner organizations that make a real difference in Sonoma County.

#### **Baby Clothing Swap & Closet**

Our Baby Clothing Swap is one of our most beloved community traditions—held twice each year in the spring and fall. Families come together to share gently used baby and toddler items, connect with one another, and help make sure every little one has what they need to grow and thrive.

This year, we're excited to announce the expansion of this effort into a year-round Baby Clothing Closet!

Families in need can now shop for free by appointment, ensuring that help is available whenever it's needed most. We also accept donations monthly, so your gently used baby clothes, blankets, and essentials can continue to bless others throughout the year.

#### **Operation Blanket**

We're proud to continue our partnership with Operation Blanket, a wonderful nonprofit that has been serving Sonoma County since 2014. Each winter, we host an annual blanket drive to support this life-changing organization, which provides warmth and comfort to our homeless neighbors through agencies across the county.

Your contributions of new or gently used blankets help ensure no one in our community faces the cold alone.

#### **How You Can Help?**

**Donate:** Bring baby clothing, blankets, and essentials to any Rise and Shine location during business hours.

**Schedule a Visit:** Families needing clothing assistance can schedule a confidential shopping appointment through our main office.

**Spread the Word:** Share our events and drives with friends, family, and neighbors to help us extend our reach.

Together, we can continue to shine light and warmth throughout Sonoma County—one act of kindness at a time.
