☀️ CELEBRATING 3 YEARS OF EXCELLENCE – MISS AMANDA ☀️

We are thrilled to celebrate Miss Amanda’s 3-Year Work Anniversary with Rise and Shine!

Miss Amanda began her journey with us as a classroom teacher, bringing patience, creativity, and a deep love for children into every interaction. Over the past three years, she has grown alongside our program and has faithfully stepped into multiple leadership roles – serving as Assistant Director, our Early Intervention and Child Development Specialist, and just about everything in between.

Her flexibility, dedication, and commitment to children and families have strengthened our entire community. Whether she is supporting developmental milestones, mentoring staff, guiding families through early intervention processes, or helping ensure our daily operations run smoothly, Miss Amanda does so with professionalism and heart.

She has been a steady presence during seasons of growth and transition, and her willingness to serve wherever needed reflects the very spirit of Rise and Shine.

Please join us in celebrating Miss Amanda’s three years of faithful service, leadership, and love for the children and families we serve.

We are so grateful for you, Miss Amanda – and we look forward to many more years together!
