Rise and Shine's Crib Notes

September 2024

Vol XI

Issue VI

Our graduate is Pierre

Pierre will be leaving the end of September. His brother, Aurelio, also graduated Rise and Shine, in 2021, and now Pierre is off to his next adventure.

We appreciate the Rossato family very much. They provided our food shelves and they are working on our winter boot/jacket storage for rainy weather play!

WELCOME

to Rise and Shine

We welcomed Charlie and Henry to our Rise and Shine family! Everyone is settling in and enjoying making new friends!

Food Program

This was no easy task! Thank you to our Rise and Shine Team for working so hard to make this happen! One more incredible service we are able to provide all of the children enrolled in our program.
