BIG NEXT STEP

We are sending Evangelina off to preschool and celebrating this special milestone! It has been such a joy to watch her grow, explore, and shine during her time with us.

While we'll miss her, we are so excited for all that's ahead. She is ready for this next adventure!

Thank you to her family for trusting us with her early years—it has truly been an honor.

✨ See you later, Evangelina! ✨

HAPPY BIRTHDAY

Join us in celebrating Miss Clovelly's birthday on May 9th! Her warmth, patience, and joyful spirit bring so much love into our classrooms each day, and our little ones absolutely adore her.

We are so grateful to have her as part of our Rise and Shine family. If you see her, be sure to wish her a very happy birthday!

## A+ NOTE TO PARENTS

Please review our newsletters and weekly updates—they include important information such as menus, curriculum highlights, upcoming events, and schedule changes.

Staying informed helps you support your child's development and ensures a smooth, consistent experience for everyone.

## REMINDER

- Label all bottles, lids, and sippy cups with your child's name.
- Sign in after the morning health check.
- Restock with weather-appropriate clothes and socks.
- Apply sunscreen before arrival (we do not apply it).
- Pack a sunhat or long sleeves for added protection.

### Our Story Message...

#### Never Judge a Skunk

Friends can be different and still belong. We are learning to be kind and accepting, just like the animals on the farm who welcome Candy the Skunk as their friend.

### What You Can Try at Home...

- Help a friend or family member.
- Use kind words.
- Talk about why we shouldn't judge others by how they look.

### What you'll see...

- Happy friends working together
- Lavender Purple decorations.
- Smiling faces and warm greetings.
- Positive messages on the walls.

While Rise and Shine doesn't offer a preschool program at this time, we're happy to share helpful resources with families exploring their next steps.

Although we can't recommend specific programs, we hope these options support you in finding the best fit for your child in their next stage of development.
