

Our ‘Pup Mascot’ Policy brief & purpose

We believe that our dog, Bear, a black Labrador, will foster a friendlier and happier workplace. She is fun, playful and will have a positive influence on our day.

However, we want to assure families that she will not disrupt our program routine, damage your child’s belongings or cause medical issues to our employees or clients.

We expect everyone to read and respect this policy.

Scope

This policy refers to all our employees, visitors, clients, contractors and consultants.

It applies to any space our company leases or owns.

Policy elements

- She is adequately trained
- Insurance policy, rider or exclusion is not required by our Insurance (DCI)
- She is kept clean, properly vaccinated and free of parasites
- She will not be interacting with children.
- She will be kept in her own space, indoors and outdoors.
- She will not be roaming freely when children are present.
- She will not be present if she is sick.

By signing this you are acknowledging and agreeing to her presence on our campus.
