# We need your help!

Help us name our infant rooms at  
our Humboldt Center

We have three unique environments for the infants and toddlers we care for  
and we need names for each space.  
Please name each space.

Space #1 – Under 12 months

Space #2 – 12-18 months

Space #3 – 18-24 month

Here's how to help us come up with clever names:

1. Anyone can enter to win! Open to the public!
2. Each submission should include 3 names, one for each age group
3. Follow this [link](#) to post your submissions
4. Email your suggestions to Cary, [contactus@SRkidsRise.com](mailto:contactus@SRkidsRise.com).
5. Post on [FaceBook](#) and tag SR Rise and Shine
6. Post on [IG](#) and tag SR Rise and Shine
7. Deadline to submit your entries is February 28, 2023
8. No limit on entry submissions
9. Every submission will be entered into a drawing for a \$25 Amazon Gift Card with one (1) winner and will be announced on social media on March 1, 2023.
10. The winning three names will receive a \$50 Amazon Gift Card and will be announced on social media. Up to three (3) winners.
11. Winning names will also be acknowledged in The Daily Babble, Santa Rosa Rise and Shine's Crib Notes April 2023.

After all submissions have been received, the deadline is February 28, 2023, we will host a vote across our social media platforms. The top 5 submissions/entries for each space will be evaluated, and winning names will be announced in our April 2023 newsletter, as we celebrate 4 years as Santa Rosa Rise and Shine Child Care Center.

Some updates:

1. Some of you may know we applied for (March '22) and we were subsequently selected (June '22) for a yard grant at our Montgomery Village center. Unfortunately, we are still waiting on those funds. Hopefully, we will receive news soon so we can get started on that project in time for Springtime fun!
2. We are currently in the process of seeking a new grant for our Humboldt site. We are hoping to divide our large infant room into two smaller spaces. This change will allow us to better manage the various physical needs of our growing babies and utilize that wonderful space more efficiently. We are hoping to complete the application process by early January and submit by the deadline, end of January 2023. We will keep you updated on that as well.
