## Introduction & Purpose

At **SR Rise and Shine Child Care Center** it is our goal to provide a safe and nurturing environment.

**SR Rise and Shine Child Care Center** serves infants/toddlers ages 2 months to 24 months.

The purpose of our program is to provide the highest quality conditions that would be conducive to the early developmental needs of all babies in our care.

We understand that the decision to leave your baby in the care of another is not easy to make. For this reason, we strive to provide a safe and healthy program that conveys a sense of security in the haven of our licensed environment.

We will make every provision possible within our structural guidelines for the comfort of both you and your baby.

It is our sincere belief that with parental support of set standards and procedures a successful and meaningful experience will develop and will be carried throughout your child's life.

We appreciate your confidence and look forward to a relationship of meaningful growth and learning.

Sincerely,

**Santa Rosa Rise and Shine Child Care Center and Staff**

## About Our Program

**Santa Rosa Rise and Shine Child Care Center** is committed to quality childcare. We seek to provide all infants in our program a sense of safety in the haven of a calm environment and the tools which will foster confidence and the ability to reach their unique milestones of development.

As an important element in the development of your child's early education, we offer a wide range of activities which meet their needs, abilities, and interests.

We do not underestimate the roll of early exposure to a structured environment. We focus our attention on providing babies with routine, stability, and freedom to explore in our nurturing, home-like setting.

Our program offers a comfortable atmosphere for babies to enjoy, relax and respond with appropriate attitudes and actions.

## Admissions & Administration

We operate on a nondiscriminatory basis giving equal treatment and service without regard to race, religion, color or national origin.

An interview must be conducted prior to enrollment. We conduct group interviews only. This provides families the opportunity to hear questions from other parents they may not have thought of. We have found this format to be much more productive than one-on-one.

During interviews information regarding our program policy will be provided and other pertinent information exchanged followed by questions/answer. Please allow approximately 30 minutes for this process.

For your child's safety and to comply with State Regulations all enrollment forms must be completed and on file prior to your child's first day of attendance.

These forms include, but are not limited to (completed list is located on our website):

\*Admissions Agreement      \*Medical Release

\*Emergency Form            \*Parental Right's

\*Physician's Report        \*Toileting Policy

\*Handbook

All fees will be billed monthly. *Payment is due on the 1<sup>st</sup> or at time of receipt for misc. fees billed.*

A minimum of 30 days' notice will be given for any policy change or rate increase. However, a credit will be given for any other day this facility closes not mentioned in this handbook, such as in a staff illness other unplanned closure except as noted below. Credit will apply to succeeding contracted payment period.

## Unusual Circumstances

In the event our facility or surrounding environment is deemed unsafe, or if any unforeseen circumstances, outside of our control, such as pandemic, severe weather conditions, active shooter, war, natural disaster, or other event, etc.... that shall render attendance unavailable, or admissions agreement null and void Santa Rosa Rise and Shine Child Care Center, LLC will not be held responsible for any damages or loss caused by such event or cancellation and is relieved of any liability; financial, personal property, personal injury or death.

## Health

This facility provides childcare services to well children only.

Your child's health is a matter of major importance to all of us. A daily health-screening will take place upon arrival and may include a temperature check.

We require that all children maintain current immunizations (Required immunizations are posted on our website. An informative link is also available for exemptions).

Parents are to notify this facility of any unusual emotional or physical illness or disability that their child may have or be experiencing.

This facility must be notified immediately for any contagious illness or disease that may be present or other children in this facility have been exposed to.

Likewise, we will notify parents of unusual demeanor or circumstances that may indicate health concerns.

Absolutely no sign of illness is permitted! Children are to remain home if fever, clear, green or yellow mucous, productive cough, or diarrhea that cannot be contained with regular diapering. These symptoms indicate a health-related problem.

Children treated with antibiotics for any contagious illness must wait 24 hours, not just one day, but 24 hours. Please see website for full well-ness/illness policy information.

## Nutrition

Nutrition is an important part of this program and a good diet is stressed.

Parents are responsible for meals and snacks for their babies. All bottles, food storage containers, pre-packaged food or prepared foods must be labeled with your child's name and the date it is brought.

Please note:

1. All food containers must be disposable.
2. We cannot re-heat food.
3. Bottle warmer is available.

## Discipline

Discipline is a positive training tool which consists mostly of reinforcements or redirection.

The use of physical punishment is never permitted.

As your partner in the care of your baby, it is important that good communication exists between the home and providers.

If your baby is experiencing a change in the home environment that may result in changes in behavior in our facility, it is important that we are informed. (Ex. Move to a new home, schedule changes, new siblings or family member living in home, etc....) Likewise, we will notify you of any behavior changes which may occur while your child is in our care.

## Miscellaneous

Parents provide all supplies necessary for the routine care of their child. Including, but not limited to food, bottles, formula, diapers, and wipes.

**Clothing:** Please dress your child according to weather conditions. Everyday 'rugged' clothes are best. Do not bring children in pajamas (unless this is their outfit for the day) or unchanged overnight diapers. Your child must be ready to begin their day when they arrive.

We will provide your child with their very own center tote bag that you can add an extra change of clothes labeled with your child's name. Labeling is required. All items should fit in provided bag.

**Napping:** 0-12 months on demand. For older babies, please refer to daily routine schedule.

Toys: We ask that you leave your child's belongings at home or in the car. We cannot be responsible for items brought, but we do encourage materials from home that enhance our program. Thank you!

Etc...: It is impossible to accommodate the values of everyone; however, we will try to create a supportive environment. Therefore,

- a) If you do not understand the "What?" or "Why?" of anything related to our program, please ask.
- b) Feel free to bring a special treat to share on your child's birthday considering age appropriate.
