

SANTA ROSA RISE AND SHINE'S CRIB NOTES

June 2023 Newsletter

CONGRATULATIONS!

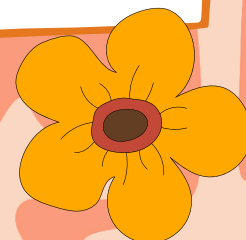

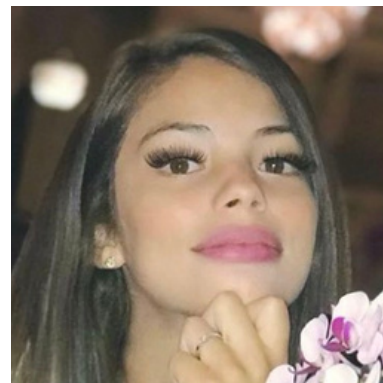

We are proud to announce the promotion of Miss Bella. Bella is our Lead Teacher at our Montgomery Village center. She has been very industrious in completing her early childhood education units. We are honored to facilitate her training as a Director Assistant with Santa Rosa Rise and Shine Child Care Center.

We are excited to see her growth!

Please join us as we welcome
Juliet to our team!

We are thrilled to have Juliet join our Montgomery Village center. She brings many years of working with children, including special needs. She has a very calm and gentle demeanor which babies and toddlers respond to very positively. In fact, she has already earned the nickname of 'Mary Poppins'

Quick Health Guide

1

Must be symptom free

We are a well-child care facility. All children must be symptom-free. If symptoms were present then a child must wait 24 hours before returning to care. If symptoms are present that are not contagious a doctor's note must be on file indicating condition.

2

If a fever was present

Must remain home. May return when fever-free WITHOUT the use of fever reducing medication for 48 hours.

3

If diarrhea was present

Must remain home. May return 48 hours after last loose stool.

4

Back-up care

Please help us keep everyone healthy by keeping sick children at home. Plan ahead and have back-up care available.

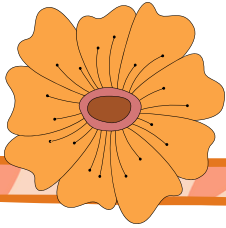

5

Please note

24 hours is 24 hours not just one day and 48 hours is 48 hours not just two days
