

IN THE NEWS

We have submitted for another grant to expand our growing garden at Montgomery Village, which will be completed May 31, 2024.

Unfortunately, we were unable to connect with Humboldt leadership in time to make something happen there. The good news is all children, their families and staff from both facilities will benefit if we are selected.

Announcements will be made May/June 2024 with implementation beginning November.

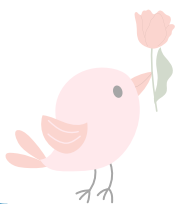

SEE YOU LATER

Alligator

After awhile crocodile

Lev turns 2 May 26th so he will graduate from Rise and Shine and begin his next adventure as a big boy preschooler! A bittersweet transition as we have had the pleasure of serving the Tucker family twice!

We will miss you!

REMINDERS

Sign-in/out on both ProCare and Hubbe

1. ProCare is for daily communication and billing.
2. Hubbe is for enrollment, attendance and will eventually be our source for tracking meals and observations and assessments.
3. ProCare provides a helpful 'drop-off note' section. We request that all parents utilize this feature each morning. This helps facilitate a quicker and smoother morning transition. It also allows for staff that may not be present at drop-off to reflect on transition expectations or individual child needs.
4. The easiest way to sign in/out is to scan with your camera. Under NO CIRCUMSTANCES are you to sign in or out from a screen shot of the QR code saved to your device! This step must take place at the entrance of the facility and not while still in your car.
5. Center Tote bags - Please wash tote bags each week and return right-side out filled with necessary items for the week.

SOCIAL MEDIA

We are asking for your help to boost our social media presence.

You can help us the following ways:

1. Like, share, comment or leave a review on [FaceBook](#)
2. Follow us on [Instagram](#)
3. Write a review on [Yelp](#)

MORGAN FAMILY

Meet the Morgan family!

Vahan, the gentlest toddler and awesome big brother, attended Montgomery Village from 2021-2022 and Vivienne, who started our program at just about 4 months old, has attended our Humboldt Street facility since 2022 and will graduate next month. She is such a social butterfly!

We are so honored to have been entrusted with the care of both children. Such a special family!

We can't wait to hear all about their milestones.

HOLCOMBE FAMILY

We'd like to introduce the Holcombe family!

Sweet Harper has been with us since May 2023. She started our program at about 5 months old and attends our Montgomery Village facility.

As you can tell by the expression on her face we get to play with one of the happiest babies every day!

Thank you for trusting Rise and Shine! We are grateful for your family.
