A Heartfelt Goodbye from Miss Catherine

As I prepare to say goodbye, I've been reflecting on the incredible joy of caring for your babies—their unique personalities, meaningful milestones, and the many moments that filled each day with purpose. It has truly been one of the greatest honors of my life.

Thank you for trusting me with your little ones and for the warmth, partnership, and connection we've shared along the way.

To your babies—you have been my joy, and I will carry those sweet memories with me always.

While this goodbye is not easy, I am stepping into a new season to be more present with my own children at home. Please know I will always be cheering for your families and holding your children close in my heart.

With love and gratitude,
Miss Catherine

A Note from Rise and Shine

Miss Catherine's final day with Rise & Shine will be Friday, April 10th. We are deeply grateful for the love and care she has shared with each child and family, as well as the valuable administrative support she has provided behind the scenes.

She will be greatly missed, and we wish her all the very best in this next chapter.

The Adventures of McDuff and Friends

At the heart of our curriculum is The Adventures of McDuff and Friends, a collection of stories thoughtfully created for our children. These stories are not just read—they are lived, experienced, and now brought to life in a whole new way.

McDuff and his friends—Scruffy, Molly, Duncan, and Pembroke—are beloved characters developed in-house to support early childhood development through connection, imagination, and understanding. Each story is:

- Family-friendly and nurturing
- Rooted in character-building themes such as kindness, friendship, patience, and problem-solving
- Designed with childlike understanding, meeting children exactly where they are developmentally
