### HOW IT ALL BEGAN

At the tender age of 19, Barbara, a waitress from Niagara Falls, NY, and Mike, a bellman from Hopkinsville, KY, began working together at the Radisson Hotel in Louisville, KY. Sparks flew, romance flourished, and their married life soon began! The couple shared similar goals of establishing a home and starting a family, and together they worked to achieve Mike's lifelong dream: to one day own a BBQ restaurant.

Sunday evening drives were the blueprint for their vision. With each word uttered and every mile driven, the Sivells's dream took shape. 17 years of bouncing off ideas for restaurant names and meals to serve provided a strong foundation for the couple's dream restaurant. But time quickly got away from the once young and ambitious couple. After juggling full-time jobs with rearing two children, the hustle & bustle of everyday life made the fantasy of becoming restaurant owners less of a possibility.

Until one day, the perfect location became available just a mile down the road from their Fairdale home. The Sivells knew this 1896 log cabin would provide the ultimate atmosphere for their old-fashioned, real-pit BBQ vision. Mike walked into the then Smith's Florist on a Monday afternoon and walked out a proud owner of a BBQ restaurant. The Sivells opened "Shack in the Back BBQ" on September 15th, 2006, and the rest of their story is lived out every day, right here, serving you!
