Hope - By Paul Brandt

This conference attracts service partners & government partners, along with volunteer first responders from across Canada. The conference provides important learning opportunities that enhance the skills of front line responders providing direct support and assistance to victims of crime and trauma.

The Association is an accredited non-profit organization that has been in operation since June 1977 and is the largest exclusively police-based victim service organization in Canada.

With your donation, as an Official Sponsor, your company will be included on the conference website, acknowledged in the conference program.

Police-based victim service programs have the distinct advantage of providing a continuum of services to victims of crime and trauma from the time of first response by police, to the disposition of cases by the courts. This critical 24/7 support for victims is available throughout the province due to the dedication and commitment of both staff and volunteer advocates in the 78 member programs located in 136 police facilities throughout the province of Alberta. Consider that in Alberta alone, over 65,000 victims of crime and trauma are supported annually by APBVSA member programs.

**If you become an Official Supporter of the Conference
we offer 4 different levels:**

Bronze: \$500+

Silver: \$1,000+

Gold: \$2,500+

Platinum: \$5000+

If you are unable to become an Official Supporter, we still greatly value and appreciate any donation you're willing to make.

We sincerely look forward to hearing from you and answering any questions you may have regarding this unique conference sponsorship opportunity. Please visit our website at www.victimserviceconference.com if you are interested in sponsoring.

Kindest Regards,
Victim Services Alberta
