### Marine Corps Heritage Foundation

On April 29, the Marine Corps Heritage Foundation will present the Lieutenant General John A. Lejeune Recognition for Exemplary Leadership to former President George H. W. Bush and former First Lady Barbara Bush at the Annual Awards ceremony held the National Museum of the Marines Corps.

President and Mrs. Bush's grandson, Cpl. Walker Bush US MCR, will receive the Lejeune recognition on their behalf. The Foundation selected the Bushes for the respect and support they have shown toward men and women in uniform, particularly during Operations Desert Shield and Desert Storm. As President and First Lady, the Bushes were both widely admired by service members for their leadership, care and compassion.

### A message from the National Commandant

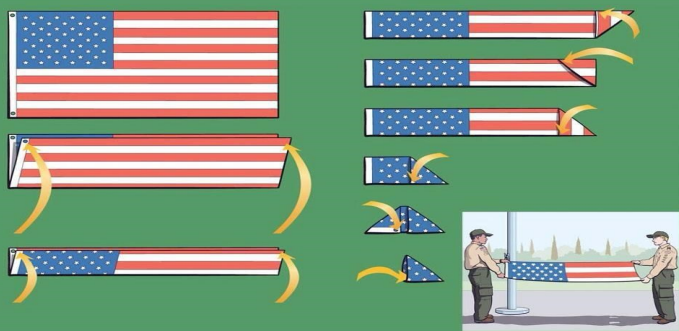

#### ATTENTION:

"The Marine Corps is deeply concerned about allegations regarding the derogatory online comments and sharing of salacious photographs in a closed website. This behavior destroys morale, erodes trust, and degrades the individual. The Marine Corps does not condone this sort of behavior, which undermines our core values. As General Neller said in his recent Message to the Force, the Marine Corps' success in battle depends on trust, mutual respect, and teamwork.

The Marine Corps takes every allegation of misconduct seriously. Allegations of misconduct are thoroughly investigated and handled at the appropriate judicial or administrative forum.

By Direction of the National Commandant; No member from the Marine Corps League is authorized to release a press statement concerning this issue; it is an issue that is under Marine Corps investigation and no

## Commandant Ray Sturm

ALCON,

As always, we have a lot going on. Please join us at the April meeting for the installation of officers. If you would like a position on the detachment staff, please let me know as soon as possible. The Department convention is just around the corner. If you plan to attend, and would like to be a delegate, please get your name to the Adjutant, Norm Huffman. The detachment will pay your delegate registration fees.

I would like to thank those members who participated in the funerals of recently departed Marines. These small ceremonies take just a few minutes, but mean the world to the families of our fallen brothers.

On 10 April, I attended the **Relief and Appointment Ceremony** of the Senior Enlisted Marine for MCSB. **MGySgt Steven Berry** was detached and **MGySgt Leon Ransom** was appointed. The **Retirement Ceremony** for MGySgt Berry took place immediately after. MGySgt Berry has been a friend of the detachment and he will be missed. We wish him and his family the best as they begin life after the Corps. We also wish MGySgt Ransom a hearty 'welcome aboard' and look forward to working with him in the future.

I'd like to remind everyone that the Dept Leadership College will take place on 22 April at VFW Post 160. This is a great opportunity to learn about the MCL. It is not just for detachment staff.

The detachment will host the Friday Night Dinner on 5 May. Anyone want to cook or assist?

Ray

### Pistol Team Ray Sturm

The **Department of Pennsylvania** has announced Saturday, **10 June** as the date for their **Service Pistol Match**. The match will be at Fort Indiantown Gap, PA. It is one of the largest matches in the area and is a lot of fun to shoot. In addition to the service pistol, they will have an Open Division. That means you can shoot anything with open sights, larger than a .22 caliber but smaller than a .50 caliber. Please let me know if you'd like to shoot. I will coordinate all of the paperwork.

Being a Marine is a state of mind. It is an experience some have likened more to a calling than a profession. Being a Marine is not a job - not a pay check; it is not an occupational specialty. It is not male or female, majority or minority; nor is it a rank insignia. Stars, bars, or chevrons are only indicators of the responsibility or authority we hold at a given time. Rather, being a Marine comes from the eagle, globe, and anchor that is tattooed on the soul of everyone of us who wears the Marine Corps uniform. It is a searing mark in our intermost being which comes after the right of passage through boot camp or Officer Candidates School when a young man or woman is allowed for the first time to say, "I'm a United States Marine." And unlike physical or psychological scars, which, over time, tend to heal and fade in intensity, the eagle, globe, and anchor only grows more defined - more intense - the longer you are a Marine.

## U.S. honors Veterans on first official National Vietnam War Veterans Day

On March 29, 1973, the last American combat troops left Vietnam and returned home. Unlike troops of more recent wars, the vast majority of those brave service members did not receive a warm welcome. In fact many were spat upon, called names and treated with disdain.

Vietnam Veterans bore the horrors of battle in Vietnam only to come home to shoulder the burden of an unpopular war that was no fault of their own. The way they were treated has often been called a national disgrace and rightly so. They did their duty because their country asked them to. That's what patriots do, they serve when their nation calls.

Today, 44 years later, they are getting some of the recognition they earned so long ago.

Last night, the president signed the "Vietnam War Veterans Recognition Act of 2017" into law designating March 29 as National Vietnam War Veterans Day.

The law amends title 4 of the U.S. Code "to encourage the display of the flag of the United States on National Vietnam War Veterans Day" – the simple language creates both the day and encourages the flag to be flown in their honor each year.

Finally.

The bipartisan legislation, co-authored by Indiana Sen. Joe Donnelly and Pennsylvania Sen. Pat Toomey, is the first federal statute to both recognize Vietnam Veterans and create an annual recognition. The legislation passed in the House March 21 and in the Senate Feb. 3. Today, VA recognized March 29 with wreath-laying ceremonies at national cemeteries and other facilities across the country.

### Military Order of the Devil Dogs (MODD)

The Fun and Honor Society of the Marine Corps League

Woof woof,

Pound 204 just held another successful Growl raising \$378.00 for the kids.

We still have one Dog in the Pound who is in arrears of his dues and therefore cannot attend a Growl or hold office. If you the one, get with the program and send 15 big bones to your friendly Dog Robber (me) ASAP. A few extra bones, for the kids, from you who never attend a growl would be greatly appreciated. When you are two years in arrears, you will be dropped from the roles of the MODD. Don't let this happen. Pay your dues now.

The Pack Grand Growl will be on 12 May. DDs planning to advance to PDD must attend two Pack Growls in the year prior to advancement. There is only one Pack Growl left prior to the Supreme Growl in August, so if you haven't attended the first one, it is too late to advance this year.

The next Pound Growl will be on 27 August when we will have elections of officers.

Remember: It is an honor to be a Devil Dog!

Bill Collins

Another busy month for our Detachment. Plans for our upcoming Marines Helping Heroes golf tournament are being finalized. Time to get those foursomes together and get out for a great day of golf. Volunteers welcome. Let's make this year our best ever. This month also brought with it the passing of two of our fellow Marines. Our thoughts and prayers go out to the families of Jeff Hailey and Theodore (Don) Thompson. Members of our Detachment performed the Marine Corps League funeral ceremony at the Pasadena residence of the Hailey family. Arrangements for Don Thompson have not yet been finalized ....when they are.. We will be ready to support the family. On a brighter note we had the pleasure of attending the Eagle Scout Court of Honor for Ben Foster, grandson of our own Mac McNeir. Well done Ben and congratulations Mac.

This month we also met with Michela McGowan a representative of the Project 22 organization. Michela's brother was an Army medic killed in Iraq. The Project 22 folks are working to help to reduce the number of our vets who are taking their own lives. Since our TreatNow effort is focused on the same goal ....stopping the suicides....we may be able to help each other to achieve our common goal. We'll investigate any opportunity to promote an end to this on-going tragedy.

Bill

## Show Your Pride

The Department of Veterans Affairs calls on all veterans to express their patriotism and pride on Memorial Day and other major patriotic holidays through a display of medals earned in their military service.

Join your comrades in public display of your military decorations. It's a way to show your community the spirit of America's veterans and remind your neighbors of the service and sacrifice of those who guarded democracy.

As we salute America's heroes on Memorial Day, Veterans Day and the Fourth of July, wear your medals and show your pride, whether participating in public observances or relaxing with Family and friends. Your medals tell a story of service in the cause of freedom that all Americans need to hear.

## Doolittle Raid 75th Anniversary

**Commemoration:** Visitors to Washington, D.C., next Tuesday are invited to attend the 75th commemoration of the Doolittle Raid. The event will be held at noon, April 18, at the Air Force Memorial, which overlooks the Pentagon. The wreath-laying ceremony will feature two wreaths — one for the 80 airmen who flew the historic mission, and one for the estimated 200,000 Chinese civilians who were executed for helping the Raiders after they landed on the east coast of China.

The ceremony will also feature a 20-foot Doolittle Raiders Wall of Honor with photos of the airmen, of whom only one remains, retired Air Force Lt. Col. Richard "Dick" Cole, now 101. No reservations are necessary to attend the commemoration.

Commandant Sturm reported on IRS policy. A Corporation may only donate to a 501©3 organization to get a tax exempt. The Marine Corps League is a 501©4. Individuals may donate to a 501©3 or 501©4 to get a tax exemption on their taxes. There was a corporation that donated to a MCL thinking they could use them as a tax write-off. IRS investigated and now the corporation is suing the MCL detachment to recover the donated funds. Note: Our paperwork states “**donation may be tax deductible.**” Please be sure you do not misrepresent.

The National Marine Corps League is getting a new database and set of by-laws. The current by-laws are very lengthy but will be shortened to @30 pages. Most of the current bylaw will be moved to Administrative procedures.

Commandant Sturm attended the Department meeting on Saturday, March 25<sup>th</sup>. Please get your Convention ads to Jack Severn by April 17<sup>th</sup>. Jack has created a new section in the convention book entitled “Guess Who?” for our older members. Patron ads are \$5.00 each.

**COLOR GUARD:** Color Guard Commander Woody Bowman reported the following:

- May 7<sup>th</sup> – Ferndale Parade – Meet at North County High School at 11 am
- May 21<sup>th</sup> – Glen Burnie Parade – Meet at Corkran Middle School at 1 pm
- May 29<sup>th</sup> - Present Colors at Post 276 at 9 am and following to Crownsville. Be there by 1030am for 11am Presentation of Colors.

Commandant Sturm read the report from the Young Marine liaison. The Young Marines are currently learning knots, physical training, visiting Quantico, participating in the Annapolis Memorial Day parade, participating in the Annapolis July 4<sup>th</sup> Parade, and will be at the Fort Meade masting of Colors. They participated in the Frozen Chosen encampment. All who participated received their ribbons. They also qualified for Marksmanship ribbons.

**OLD BUSSINESS:** We have 500 copies of the new trifold. Please keep some in your car and disperse when you meet a Marine. Guy Hall would like to get the newsletter editor to interview a lady he met who has three sons in the Marine Corps. Commandant Sturm thought this was a good idea and suggested they discuss this outside of the meeting.

Commandant Sturm reported the Walden Golf Course is willing to sign a 5-year contract with the Detachment, so the price will not increase. The tournament still owes the Detachment \$500. Once monies start coming in, this will be taken care of.

If you plan on attending the Department Convention in Ocean City, please give the information to Adjutant Norman Huffman so he can register you. The Paymaster has already sent the required \$100.

**NEW BUSINESS:** Commandant Sturm stated he would like to do a mailing because contact information is outdated. We have 124 members and only 30 attending the meetings. Cost will be approximately \$1.00 per person for mailing. Motion was made by Senior Commandant Wells and second by Paymaster Ed Dahling to send out the mailings.

(Continue on Page 12)

Chris Stevens stated the Annual Bull & Oyster Roast will be held on September 30<sup>th</sup>, 2017.

The National Commandant has created a Lifetime Achievement Award for Marines who have been involved with the MCL for a long period of time. If you need help writing up the nominee, contact Commandant Sturm for assistance.
