Commandant Ray Sturm

Greetings,

I trust everyone had a great holiday season. I can tell you that a lot of children had a better Christmas because of the efforts of our **Toys For Tots** volunteers. The Anne Arundel T4T drive collected 65,000 toys (80,000 including stocking stuffers) which went to 22,000 children. An amazing accomplishment! Once again, that effort was coordinated by **Christine Stevens** and **Pete Smith**. Of course, they had a lot of help ranging from our detachment members to the Marines from Fort Meade. Congratulations on a job well done.

On Jan 12th, **LtCol Challengren** and **MGySgt Berry**, the CO and Senior Enlisted Marine of Marine Cryptologic Support Battalion at Fort Meade, presented the detachment a plaque in recognition of our support to the battalion. We are proud of the relationship we share with the Marines and look forward to supporting them in the future.

As many of you may have heard, **Marines Helping Marines** is going dormant. Thankfully, the flow of wounded Marines has slowed and MHM has suspended operations. I will provide what details I have at the next detachment meeting. As you know, MHM has been the benefactor for our annual golf tournament. The golf committee has agreed to continue with the event, with the funds going to a yet to be named organization(s) that helps our combat wounded. Again, more on this at the meeting.

I have mentioned volunteers several times already. This detachment's members are its backbone. We can always use your help.. whether with T4T, the golf tournament, the 5K Challenge, or a new program I would like to start. I am going to call it the **Marine Visitation Program** and I need volunteers to be my MVPs. The program is simple. There are sixteen nursing and rehabilitation homes in Anne Arundel Co. and I'm sure there are some resident Marines there. I would like to start a visitation program to let our Marines know they are not forgotten. I am in the process of reaching out to the activities directors at the facilities to see how we can best do this. If you would like to be a part of this program, I want to hear from you.

Finally, we are approaching the time of year when we need to think about nominees for **Detachment Marine of the Year**. There are many deserving Marines out there and they should be recognized.

Color Guard Commander Woody Bowman

We have nothing schedule until March.

Want to volunteer? Want to be part of the future of this valuable group? If the answer to any of these questions is **YES**, Call **Woody Bowman** at the following number...(410) 647-9655

Pistol Team Ray Sturm

The pistol shoot on Jan 10th was not very well attended. I'll blame that on the lack of advance notice. I would like to continue the shoots and make them a regular monthly thing. I'll include the range dates in the detachment event calendar on the website and post a copy at the VFW. Post 160

The 2016 Anne Arundel County Toys for Tots Campaign was very successful.

The campaign would not be successful without the generosity and support of our volunteers.

Every child deserves a little Christmas. Thank you to the Marines and volunteers who made this campaign successful. We look forward to another successful year in 2017.

Thanks,
Chris Stevens

Woof woof,

Still not much happening in Dogdom. Many thanks to all the Dogs who turned out to assist the Toys for Tots very successful drive. I am sure Chris Stevens will have a total for us at the next Detachment meeting.

Pound 204 held a very successful Growl last month netting 351 bones for the kids. Unfortunately, our Dog Chef has retired so unless we have a chef step up, we will no longer be having that great Anne Arundel County Detachment breakfast prior to the Growls.

We still have a few Dogs in the Pound who are in arrears of their dues and therefore cannot attend a Growl or hold office. If you are one of the delinquents, get with the program and send 15 big bones to your friendly Dog Robber (me) ASAP. A few extra bones, for the kids, from those of you who never attend a growl would be greatly appreciated. When you are two years in arrears, you will be dropped from the roles of the MODD. Don't let this happen. Pay your dues now.

All Pups remember that you must attend two Pound Growls in the year prior to the Grand Growl in May if you want to advance to DD.

The next Pack Growl will be on 21 January at the Jefferson Davis American Legion Post in Centreville, Maryland. DDs planning to advance to PDD must attend two Pack Growls in the year prior to advancement.

The next Pound Growl will be on 12 February.

Remember: It is an honor to be a Devil Dog!

Greetings Marines,

Alright it's a new year. You know you have been meaning to get down to a meeting. So do it. You will see some old friends and maybe make some new ones. We have added a few new members, you should be there to welcome them aboard. Re-ally, what else is there to do on the fourth Monday this January?

There is always the possibility that you will enjoy yourself!

History of the Medal of Honor

Pvt. Jacob Parrott, a member of the Ohio Volunteer Militia, the predecessor to the Ohio National Guard, was the first person to receive the [Medal of Honor](#), on March 25, 1863. Parrott is featured online in a new [history](#) of the Medal of Honor, posted by the Defense Department. Congress authorized the Medal of Honor in December 1861, specifically for the Department of the Navy, but within two months it was adapted for Army recipients as well. The medal is now bestowed on individuals serving in any branch of the armed forces who have performed a personal act of valor above and beyond the call of duty in action against an enemy force.

Chaplain's

Bill Collins

We begin a new year that promises to be yet another great year for our Detachment. Planned events including our annual golf tournament, the 5k run with our brother Marines from Fort Meade, support to local Boy Scout troops, our annual recruiting event at Downs Park, on-going involvement with the treatnow organization to help reduce the number of veterans taking their own lives, color guard participation in community events, Devil Dog activities and of course at the end of the year Toys for Tots and the many other community and fund raising events that occur every year. Obviously we have plenty of opportunities to excel, so please as your circumstances allow, come out and support these worthwhile activities...you'll be glad that you did.

On January 20th 2017 President-elect Donald J. Trump and Vice President-elect Michael R. Pence will be sworn in to office on the west front of the United States Capitol. Some Americans are very happy with the President-elect, others... not so much. This is normal when the government undergoes the transition of power from one party to another. One of our great strengths as a nation is our ability to disagree during the selection process and to come together as Americans after the election is over and new leaders are sworn into office. Our unity as a people is the foundation of our strength as a nation. It is certain that our adversaries don't care whether we are black, brown, yellow, red, white, Protestant, Catholic, Jew or any of the other stove pipes that are created to separate us.....to them we are all Americans and because we are Americans we should die. Perhaps we should look at ourselves the way that they look at us and realize that in spite of our differences..... first and foremost we are all Americans and that our strength is derived from our unity. We Marines should lead the way in helping to overcome the obstacles that divide and weaken us.

Bill Collins, Chaplain

Marines to get smart phones to call in fire support

This fiscal year Marines will receive smart phones that make calling for fire support easier, quicker and more accurate. The Target Handoff System Version 2, or THS V.2, is a portable system designed for use by dismounted Marines to locate targets, pinpoint global positioning coordinates and call for close air, artillery and naval fire support using secure digital communications.
