# Commandant Ray Sturm

Greetings,

Remember back in January when we all complained about the cold? Well, guess what? We got our wish. Summer is well under way. Please be careful out there. Stay hydrated.

I would like to thank Boy Scout Troop 216 for the invitation to attend the recent Ironbirds game. Guy Hall and I were able to accept the invitation and had a great time. It was a perfect evening for baseball, ice cream, and new friends. Though I have to admit, I was a bit nervous sitting that close to 3<sup>rd</sup> base. A few screaming line drives came close.

I'd like to thank everyone who worked on the MHM tournament. We may not have set a record, but I will be very proud to present a check for about \$14,000 to Marines Helping Marines. What a fantastic amount! I know they will put the money to good use. Believe it or not, we are already planning next year's tournament... and yes, we are looking for volunteers.

I'd also like to thank the Detachment Color Guard for representing us in so many community events. The recent 4<sup>th</sup> of July parade in Severna Park was their most recent contribution. If you'd like to assist with the Color Guard, please see Woody Bowman. He'd be glad to have you.

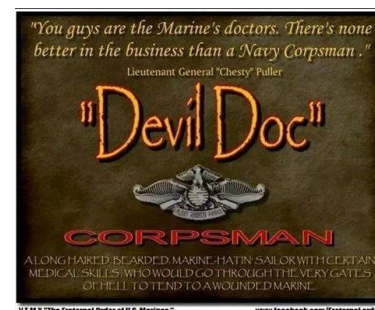

Our next big fund raiser is right around the corner. Come out and support the **Anne Arundel County-Marine Corps League Inaugural 5K Challenge** on July 31<sup>st</sup> at BWI Airport. The event will be off Mathison Way (by the rental car return. In addition to the 5K run there will be push-up and sit-up challenges. Civilians will be taking the PFT alongside Fort Meade Marines. It promises to be a fun event. You are welcome to come out and watch, cheer, help score or hand out water. Of course, you're welcome to participate also. Just for comparison, at the Olympic Trials, runners were doing 5K (3 miles) in under 14:00. In other words, they were in the shower when I hit the half way point.

Folks, we are planning a Bull & Oyster Roast for October 8<sup>th</sup>. We will need your support to make this event a success. Ticket sales are the biggest way you can help. I'm sure your neighbors and friends would enjoy a terrific meal.

Just a reminder.. July 20<sup>th</sup> is US Marine Corps Day at National Stadium in DC. The game starts at 7PM.

Semper Fi,

Ray

## Military Order of the Devil Dogs

### Military Order of the Devil Dogs (MODD)

The Fun and Honor Society of the Marine Corps League

Woof woof,

The Devil Dogs of Pound 204 and the Maryland Pack are continuing to enjoy the Dog days of summer. We did crawl out of our comfy doghouses to make the trek to the Mid-east Growl in Newark, Delaware last month where that Growl raised 527 bones for the kids.

This will be our last month to relax as next month we will go from neutral to high gear with the Supreme Growl on 10 August and Pound 204 Growl on the 28th.

At the 28 August Growl we will hold nominations, election and installation of new officers. Unfortunately, our illustrious Pound Keeper has suffered a debilitating stroke and will reluctantly have to step down. If interested in leading your Pound you must be present at the Growl as there is no proxy vote. However, a letter or email to your Dog Robber stating you will accept a position, if nominated, will allow you to be nominated.

The dues of all annual dues-paying Dogs expire on 31 August. They remain a paltry \$15.00. You can forward them to your friendly Pound Dog Robber (me) at any time.

The next Pack Growl will be sometime in September hosted by the Free State Detachment in Bowie. Members who have not paid their 2017 dues by then will not be allowed to attend this Growl.

Remember: It is an honor to be a Devil Dog!

Dog Robber.

Woof woof,

## VA Maryland Health Care System

We are happy to announce that the VA Maryland Health Care System will now offer enrolled Veterans the opportunity to directly schedule routine ear and eye appointments with VA medical facilities that offer Audiology and Optometry services. ***This means you do not need a Primary Care referral before scheduling routine ear and eye examinations.***

We are excited that the VA Maryland Health Care System was selected to participate in the first phase of a nation-wide implementation across all VA medical centers.

### Who Qualifies?

All Veterans who are enrolled in the VA system, including traveling Veterans and those unassigned to Primary Care Doctors, can schedule an appointment without a Primary Care referral. Please keep in mind that this is for routine appointments, such as ear and eye exams. But, other routine procedures are also included. For more information regarding specific Audiology and Optometry services covered, please call the number below.

### What Do I Need to Do?

You can schedule Audiology or Optometry appointments directly by calling 800-463-6295 extension 7333 or by speaking with scheduling staff at the VA Maryland Health Care System facilities where these services are provided.

Audiology and Optometry services are available at the Baltimore and Perry Point VA Medical Centers and the Cambridge, Glen Burnie, Fort Meade, and Loch Raven VA Outpatient Clinics.

## Junior Vice Commandant Pat Sharkey

### Memberships

We still have Fourteen members, who remain delinquent in the payment of their dues. I remain hopeful that all of our members will soon have caught up on their dues and that we can then boast of no delinquencies.

### Life Membership Rates

Hopefully, I can clear up any misunderstandings about life membership fees. As of January 1, 2009, the age-based, Life

Membership fees are priced as follows.

35 years of age and younger .....	\$500
36 – 50 years of age .....	\$400
51 – 60 years of age .....	\$300
61 years of age and over .....	\$150

## Chaplain's

from Bill Collins Detachment Chaplain

Charlie Luthardt continues to improve following his "mild stroke". I'm sure that the time he's been spending on the beach at OC has had a lot to do with his quick recovery. Charlie is doing well in rehab and should be back on his favorite stool in the near future. Fred Kaminski continues to struggle with Parkinson's. He was recently hospitalized and spent a short time in rehab. Fred has shown some mild improvement and has returned home. If you would like to send him a card or a note, his address is 1238 Aster Court, Glen Burnie, Md. 21061.

The news media is full of bad news about the world we live in, both at home and abroad. It speaks loud and clear to the importance of all Americans being United in the quest for a safe and secure world for all people everywhere.

Bill Collins

## Information from the MCL National Commandant Richard Gore.

Marines:

Sorry about the delay between messages but just let it be said that we have been busy. You may already have heard that there has been a lot of changes that have taken place at HQ. I will not get into the details of the transitions except to tell you that they have been beneficial to all of the members and allowed the league to move forward in the proper way to serve you.

Johanna Hill from membership, was terminated and replaced. Meg Thoburn adjutant/paymaster, resigned. Debbie Smith merchandise, resigned. These issues alone resulted in positive changes being made which resulted in savings in money and an increase in productivity mainly through the work habits of their replacements.

Our Comptroller Paul Hastings was replaced after many years of dedicated service by William Smith from the Dept. of Georgia. This is another positive change as he is a CPA and understands what his duties are to the membership. Allan Ferguson is remaining as the Asst. Comptroller and will handle the book work at National in concert with William Smith. Bernard Heaney has been appointed as National Auditor, Bernie is a retired IRS forensic Auditor and he is preparing to do an audit of the HQ books with the assistance of Allen, Bill, and Tom.

Another event that will be happening in the near future is a new publisher will be hired for the "SEMPER FI" Magazine. We have been operating at an approximate loss of \$250,000. per year for quite a while now and were told to expect to continue to lose for many reasons. After much searching and discussion, we have agreed with Hammock Publishing to transition from them and are set to work with Chipotle Publishing, LLC., from Henderson, NV. who has literally assured us of a quality magazine with more pages, better paper and more advertisements for a decrease in costs in the production of our Semper Fi Magazine. Chipotle is projecting a break even figure after the first year. We are not interested in an award winning magazine, but, I bet we will have one within a few years. A proposed contract from Chipotle Publishing, LLC. will soon be presented to the Board of Trustees for approval.

So, with the same number of employees as what we did have before the changes and the cost savings between salaries and magazine publishers, we are looking at a cost savings close to \$400,000 annually. This is what you mandated from us and I hope you like the results thus far. Some really hard work is still ahead of us, but now that the barriers have been removed we are confident of continued success in the future; I just do not know why these issues were not corrected before we got into this situation.

Your Board of Trustees and the Executive Director and myself look forward to seeing you at Convention in Tulsa, Ok.

**NEWS FLASH!** Our 37th Commandant of the Marine Corps, General Robert B. Neller, has accepted the invitation of the National Commandant and the Marine Corps League and will appear at our National Convention in Tulsa, Oklahoma as our Guest of Honor!

by Ed Dahling Editor Emeritus

**GOOD TO THE LEAGUE:** District Vice Commandant Don Benson suggested everyone look at the proposed bylaw changes for the Nationals. Let Commandant Sturm know your feeling on the changes so he can vote accordingly. Don Benson said Harford County Detachment is voting to change their Detachment name.

Jim Brady reported he is moving to Myrtle Beach (everyone broke out in tears) and he has a lot of Marine Corps League shirts he is giving away.

Commandant Sturm reported the Fort Meade Marines are holding the 1<sup>st</sup> Annual Anne Arundel County Marine Corps League 5K Run at BWI. The event is being held to offset the cost of the Marine Corps Ball for the junior Marines. The group would like the Detachment to assist them with registering participants and collecting money. The event will be held on July 31<sup>st</sup> at 0800 hours. The Marines would do all of the heavy work. These are the same Marines that do the Color Guard for us. Once they meet their goal for money, the remainder of the funds will be donated to the Detachment. Ferndale VFD will provide EMS support. Pete Smith is very involved with this event.

Commandant Sturm reported the Detachment received a Certificate of Appreciation from Boy Scout Troop 216 for the detachment donation and for the trailer Ben Wells company donated to them.

We need the names of the members going to the National Convention (August 7-13, 2016). So far we have: Ray Sturm, Ben Wells, Erin Wells and Nila Caulder.
