The price is currently pending; but, I am sure that I will have the price as well as additional information about the roast at our June detachment meeting

We can not depend just on our Friday night dinners every other month and 50/50 from our monthly meetings

The **Marines Helping Marines Golf Tournament** was an outstanding success. I am proud of everyone involved for making the tournament such a huge success.

The deadline for all **July** newsletter articles is **NOON** on **Tuesday, July 12, 2016**. ***Please do not wait until the last minute!***

Commandant Ray Sturm

Greetings,

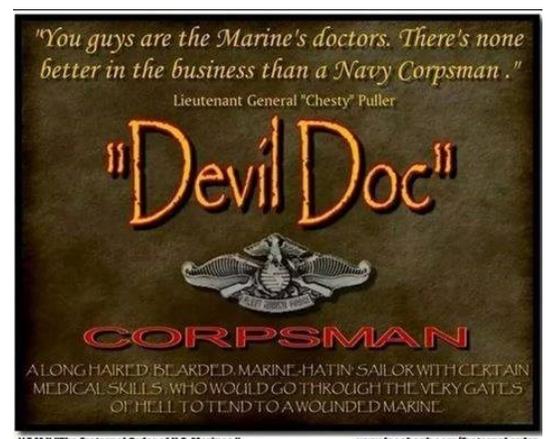

Welcome to June everyone. I trust you have dried out from our soggy May. I'd like to start by offering my congratulations to **Chris Stevens** and her team who made our 11th Annual MHM Golf Tournament a success. While the final numbers are not quite in, I think we will be close to last year's total of \$15,000.

I would also like to thank our **Color Guard** for representing the detachment at the Memorial Day functions throughout the area. Their dedication and commitment is truly appreciated. If you would like to join this great unit, please see Woody Bowman. He'd be glad to talk to you.

I forgot to mention in my last article, that at the Department Convention, the newsletter you are reading was awarded **First Place** in the newsletter competition. I congratulate **Ed Dahling** for all of his efforts to bring you this fantastic newsletter. I urge Ed to submit the newsletter to the national competition. **ATTENTION:** The detachment was approached by the Marines at Fort Meade. They asked if we could assist them in a fund raising event to help defray the cost of the Marine Corps Ball to their junior Marines. Naturally, we jumped at the chance to help. The event is tentatively called the **Marine Corps League 5K Challenge** on July 31st at BWI Airport. (A 5k is the equivalent of 3 miles.) Planning is underway, but details are still being worked out. Captain Pete Smith, USMCR will be at our June meeting to explain the event. We are asking for your help in getting the word out to any runners, running clubs, and potential sponsors. Oh, and this will be a joint fund raiser. Any monies collected beyond what is needed by the Marines will remain with the detachment.

The Washington Nationals are hosting a **US Marine Corps Day** at Nationals Stadium on July 20th. The Nats are playing the LA Dodgers at 7:05. If you are interested in attending, please let me know. We can certainly *Rock the Red* that night.

The Department of Pennsylvania held its annual pistol match at Fort Indiantown Gap. Due to a lack of detachment shooters this year, we formed a Pound 204 team. The team consisted of Ray Sturm, Ben Wells, Don Benson, Evie Remines, and Tim Shepard. (The last three were first time shooters.) We may not win any awards, but we had a blast at the match.

For those interested, the Dept of PA Rifle Match is weekend of Sept 9-11 at Reade Range near Altoona, PA.

Military Order of the Devil Dogs

Military Order of the Devil Dogs (MODD)

The Fun and Honor Society of the Marine Corps League

Woof woof,

The Devil Dogs of Pound 204 and the Maryland Pack are enjoying the Dog days of summer by lying low for a month or so. Since our Grand Growl in April, there hasn't been much Dog business to conduct. Things will pick up on a grand scale in August when the Supreme Growl will be held.

Our next Pound Growl will be on 28 August when we will hold nominations, election and installation of new officers. If interested in leading your Pound you must be present at the Growl as there is no proxy vote. However, a letter or email to your Dog Robber stating you will accept a position, if nominated, will allow you to be nominated.

The dues of all annual dues-paying Dogs expire on 31 August. They remain a paltry \$15.00. You can forward them to your friendly Pound Dog Robber (me) at any time.

The next Pack Growl will be sometime in September hosted by the Free State Detachment in Bowie. Members who have not paid their 2017 dues by then will not be allowed to attend this Growl.

Remember: It is an honor to be a Devil Dog!

Woof woof,
PDD Paul Taylor

Marines

With your help, we can reach out to any Marines that for some reason have not heard about the Marine Corps League and our Detachment. If you know of a Marine of good standing, invite them to visit us during our next meeting. This will give them a chance to see what the league and our detachment is all about.

In addition to bringing in new members, let's not forget about keeping current with own dues. Please send in your dues and not risk being dropped from our rolls as a member of good standing. I look forward to seeing each of you at our next meeting.

Chaplain's Corner

from Bill Collins Detachment Chaplain

Fellow Marines,

Another Marine reporting sir I've served my country well.....tragically, Blue Angles pilot Marine Capt. Jeff Kuss lost his life when his F/A-18 Hornet crashed shortly after takeoff at the Smyrna/ Rutherford county airport in Tennessee. Capt. Kuss was practicing for the Blue Angles performance at the Great Tennessee Air Show. We also lost nine Fort Hood soldiers during a training exercise when their 2 ½ ton truck was washed away by flood waters. These incidents remind us that the men & women who serve our country often put themselves in harm's way when they are training for combat as well as when they are in combat. Our thoughts and prayers are with them every day.

As we all know, Det.1049 received the Detachment of the year award for the Marine Corps League, Department of Maryland. Thanks to all of the members who give their time so generously to make our Detachment the best in the state. Bravo Zulu (BZ) to Commandant Ray Sturm and his staff.

The golf tournament was a great success as well as a fun day for everyone. Events like this are not possible without the help of our members. Volunteering provides an opportunity to get to know fellow members of the Detachment. It's fun and productive...Who could ask for more? If you are interested in volunteering for any of our activities call me @ 410-271-4847 or E-mail dvader1@comcast.net

Our brother Charlie Luthardt suffered a "mild stroke" on Sunday June 5th. As of Friday, June 10th he was recovering in the hospital in Ocean City. The prognosis is good; Charlie is expected to fully recover. Keep him in your thoughts and prayers.

Semper Fi,
Bill C

NEW BUSINESS: Jim Brady asked about MCL office being cluttered and maybe purchasing a shed to store things in. Jim also stated that sodas and coffee should not be stored in that office due to the weather. Ray informed Jim that the league went in and cleaned the office and got rid of things and everything is in place, and as of this time there is no need of a shed.
