# The Best Golf Tournament Yet!

The 10th annual edition of the Marines Helping Marines Tournament was another in an ongoing string of successful tournaments, which have been hosted by the Anne Arundel County Detachment of the Marine Corps League. Although most participants would focus on the events that took place at the Waldon County Club in Crofton Maryland on May 30th, the success of this year's fund-raiser also requires a look back at the many preliminary efforts that took place months earlier.

One of the more important factors was the gracious acceptance of the role of Tournament Coordinator by Christine Stevens. Bringing her acumen for team building into play, his first major accomplishment was the enlistment of a supporting staff composed of individuals, who were instrumental in the success of prior tournaments. Among these staffers were James Brady, Ray Sturm, Ben Wells, Manny Airey.

## Memorial Day Commemoration at the Crownsville Veterans Cemetery

As has been true for years, our Color Guard was part of the combined Veteran's Color Guard at the Crownsville ceremony. Our own Commander Woody Bowman was not only a member of our Color Guard but served as Sergeant of the Guard for the combined Color Guard made up of all participating veterans organizations. While I was standing in formation with the National Colors, I had an opportunity to scan the crowd. What impressed me was the significant number of MCL red covers that were visible. To each and every member who came to pay their respect and share an hour with us in remembering our comrades...THANK YOU!

If you have an email account and are not currently receiving **the Cutting Edge** electronically, please consider doing so. Providing me with your email address will reduce our monthly newsletter delivery costs.

# Commandant Ray Sturm

Greetings Marines,

Well, the summer is well underway. I hope everyone is enjoying the warm weather. Don't say it's too hot.. just remember last winter. I think they still have snow piles in Boston.

I am pleased to report that our 10<sup>th</sup> Annual Marines Helping Marines Golf Tournament was a huge success. We had a record number of golfers, used every cart the golf course had, and ran out of chow. From everything I heard, Walden Country Club was a hit for the golfers. The final numbers are not in yet, but I expect we will easily clear \$13,000. I'd like to thank everyone who participated, volunteered, and help coordinate the event. We couldn't have done it without you. A special thank you goes out to our committee chairperson, Christine Stevens. Chris, you did an amazing job. Thank you!

Marines, I want your input. I want to arrange an outing for our membership. A few years ago we made a trip to the Marine Barracks at 8<sup>th</sup> and I for an Evening Parade. I would like to do something along those lines. I'm thinking a trip to the Marine Museum in Quantico or even a minor league baseball game to see the BaySox play in Bowie. I'm open to ideas. Let me know what you think. My personal email is [Bandit6a@gmail.com](mailto:Bandit6a@gmail.com).

Finally, I'd like to re-invite everyone to our monthly meeting. I realize it's a business meeting, but the fun happens at the bar when it's over. Come on by and enjoy the camaraderie of your fellow Marines.

Semper Fi... be safe.

Ray

# Senior Vice Comandant Ben Wells

Marines,

As in the past, our detachment had a very good showing and more important we had a very good time. I highly recommend for every member who has not attended a Department Convention, to consider to attend one. The best way to describe how you feel is the way you felt about being on liberty after a long period in the boonies or at sea

I would like to thank everyone who helped with the Marines Helping Marines golf tournament. This year we broke the record of money collected and will present a check in Phoenix, AZ this year at the convention. We have one fund raiser left for the year and this money goes to our general fund so please help support this function.

October 12th is the bull & oyster roast and this money goes to the general fund also, so please support this event with ticket sales. We would also like to see you smiling faces along with your spouse and children.

Semper Fi  
Ben Wells

## Junior Vice Commandant Matt Prial

Marines,

So I am watching the Memorial Classic from Dublin Ohio. I noticed several similarities between the duffers at Walden and the pros at Dublin. Just about everyone has the same apparel. There is one big difference. At Walden everyone was smiling. Must be because it is a great feeling to be able to golf, share in some revelry, and know that you are providing a bit of material comfort for those truly in need.

I would like to personally thank everyone who participated, but that would take forever. Consider this column my thanks. All of the organizers toiled late into the night in order to make this fund raiser a complete success. There were a few bugs. They have been squashed and will not be making an appearance next year.

You know the reason you joined the MCL is because you are proud of what you have accomplished and you like hanging around Marines. Come on down, get involved, and have a few laughs. And we can always use some adult supervision.

## Remembering the 71s Anniversary of D-Day June 6th, 1944

On June 6, 1944, after years of meticulous planning and endless training, more than 160,000 Allied troops landed on the beaches of Normandy, France as part of "Operation Overlord", marking the opening days of the ground war in Europe in what would become World War II.

The landing included over 5,000 ships, 11,000 airplanes, and over 150,000 service men. The cost in lives on D-Day was high. Many of the first young men (most not yet 20 years old) entered the surf carrying eighty pounds of equipment. They faced over 200 yards of beach before reaching the first natural feature offering any protection. Blanketed by small-arms fire and bracketed by artillery, they found themselves in hell. When it was over, more than 9,000 Allied Soldiers were killed or wounded, but their sacrifice allowed the ultimate defeat of Adolf Hitler's crack German Army and dreams of a German dominated Europe.

# Military Order of the Devil Dogs

Woof woof,

The Maryland Pack held a very successful Grand Growl on 15 May in Ocean City. We also elevated three Pups to Devil Dog. Congratulations and a big woof woof to DD Diamond Kimos.

At the Grand Growl we collected \$218.00 in passport stamps/freewill donations for the children's hospital in Scottsdale, Az. However, some very generous Dogs continued to throw bones at the Dog Robber all weekend. By the time the bones were sorted out the following week, there was a grand total \$556.00! An outstanding job Dogs. This brings the total that the Maryland Pack contributes to the hospital fund to \$1,446.00! I truly believe no other Pack in the Kennel will top that amount. Congratulations Dogs, we will be number one again!

At the Grand Growl nominations and election of officers were held with the following results: Pack Leader (again) PDD Brady; Senior vice Pack Leader PDD Airey, Junior vice Pack Leader PDD Wells, Smart Dog PDD Blair; Dog Trainer PDD Hadley; Mad Dog PDD Rossi; Police Dog PDD Sturm; Barking Dog PDD Hadley; and PDD Taylor was appointed Dog Robber (Almost looks like a Pound 204 officer roster, doesn't it?) . The Senior vice Chief Devil Dog, Honorable PDD C. O. Smith did the honors of swearing in the 2016 officers.

The Senior vice Chief had a very enjoyable visit with the best Pack in the Kennel. He especially enjoyed the DD initiation.

The National Marine Corps League Commandant, PDD John Kovalcik, also had a very enjoyable time.

A big thank you to everyone who made our visitors feel welcome.

Summer is here and we won't growl again until 12 September. However, don't relax too much. The Mid-east conference is being held the last weekend of this month in Fredericksburg, Virginia. There is still time to make reservations and get there for the Friday evening Growl. All Dogs are welcome to attend. It is a hoot.

Remember: It is an honor to be a Devil Dog!

Woof woof,  
PDD Paul Taylor  
Dog Robber

## **.REPORT OF OFFICERS:**

### **Commandant:**

Commandant Ray Sturm announced the winner of the rifle raffle was Rich Zeal. Rich bought his ticket from Ben and Ray at a function they had attended. Ray also commented on a Corpsman from South Carolina who is in hospice. He received the Purple Heart and two bronze stars, having served at Chosen Reservoir. They would like to have the Honor Guard present Colors upon his passing. Ray will check into this. Commandant Sturm is also looking for members to fill the three empty Officer positions.

### **Sr. Vice Commandant:**

Ben Wells reported that the Bull Roast is scheduled for October 12, 2015. He has said that the Detachment has to raise money. The Color Guard has never asked for anything, which is unusual.

### **Webmaster:**

Joe Wright reminded everyone that if they are not receiving anything from the Detachment e-mail, they need to give him their e-mail addresses and he will check into it.

## **REPORT OF COMMITTEES:**

**Rifle & Pistol Team:** Ray Sturm reported that the team would not be going to Pennsylvania this year due to the change in dates. The team is looking for shooters.

**NEW BUSINESS:** Ben Wells made a motion to spend up to \$200 for advertising for Recruitment of members for the League. Voted on and passed

## **GOOD OF THE LEAGUE:**

Paul Taylor reported on the twenty-two By-law changes proposed at Convention. Paul will write a synopsis of the changes within the month for distribution. Changes will also be put on the website. Some of the highlights were: A change in location of Convention (remove from Ocean City). This bylaw failed as Ocean City has provided the needed accommodations and also provides a family-friendly atmosphere. Department position names were changed to mirror Nationals.

Dates of Convention were updated as bylaws now stipulate Convention shall be held between May 1 July 15<sup>th</sup> (Department had gone in April in the past.) Changes being made to the application to include DOD ID vs SSN. DD214s will not be kept. Will be returned to owner. Bylaw suggests every Detachment invite the 4 elected Department officers to their Installation:

New Department Officers:  
Commandant Craig Reeling  
Sr. Vice Commandant Evie Remines  
Jr. Vice Commandant Bill Kelly  
Judge Advocate Jerry Devlin

## **CLOSING CEREMONIES:**

Commandant Sturm closed the meeting IAW MCL rituals. The next Detachment meeting will take place on June 22, 2015. Prayer was given by Joe Wright (who stood in for Fred Kaminski in his absence).

## Flag Etiquette STANDARDS of RESPECT

The Flag Code, which formalizes and unifies the traditional ways in which we give respect to the flag, also contains specific instructions on how the flag is not to be used. They are:

- The flag should never be dipped to any person or thing. It is flown upside down only as a distress signal.
- The flag should not be used as a drapery, or for covering a speaker's desk, draping a platform, or for any decoration in general. Bunting of blue, white and red stripes is available for these purposes. The blue stripe of the bunting should be on the top.
- The flag should never be used for any advertising purpose. It should not be embroidered, printed or otherwise impressed on such articles as cushions, handkerchiefs, napkins, boxes, or anything intended to be discarded after temporary use. Advertising signs should not be attached to the staff or halyard.
- The flag should not be used as part of a costume or athletic uniform, except that a flag patch may be used on the uniform of military personnel, fireman, policeman and members of patriotic organizations.
- The flag should never have placed on it, or attached to it, any mark, insignia, letter, word, number, figure, or drawing of any kind.

The flag should never be used as a receptacle for receiving, holding, carrying, or delivering anything.

When the flag is lowered, no part of it should touch the ground or any other object; it should be received by waiting hands and arms. To store the flag it should be folded neatly and ceremoniously.

The flag should be cleaned and mended when necessary. When a flag is so worn it is no longer fit to serve as a symbol of our country, it should be destroyed by burning in a dignified manner.

## Symbolism of the American Flag

The U.S. flag is the most widely used symbol of America, representing the many freedoms and rights guaranteed to us by the U.S. Constitution and Bill of Rights.

Additionally, the flag symbolizes the patriotism, honor and courage of all of you, our U.S. Veterans and military personnel, along with our individual liberties stated in the Declaration of Independence. Many other powerful meanings that define America are represented in our flag as well.

"We take the stars from Heaven, the red from our mother country, separating it by white stripes, thus showing that we have separated from her, and the white stripes shall go down to posterity representing Liberty." – George Washington

On June 14, 1777, the Flag Resolution was passed by the Second Continental Congress, which stated: "Resolved that the flag of the United States be made of thirteen stripes, Alternate red and white; that the union be thirteen stars, white in a blue field, representing a new Constellation." Each year thereafter, June 14 has been known as Flag Day.

The U.S. flag consists of thirteen equal horizontal stripes of red (top and bottom) alternating with white, representing the thirteen original colonies, with a blue rectangle in the upper hoist-side corner bearing 50 small, white, five-pointed stars, representing our 50 states. Common names of the flag include: "the Stars and Stripes" or "Old Glory."

Even to this day, the origin of the U.S. flag design is still uncertain. One story credits Betsy Ross for sewing the first flag from a pencil sketch by George Washington. However, no evidence exists beyond the recollections of what she told her family, which have been reported by her descendants.

When design changes occur, the change always takes place on July 4 in Philadelphia, Pa., stated by the Flag Act of April 4, 1818. The most recent change, from forty-nine stars to fifty, occurred in 1960, after Hawaii gained statehood in August 1959. Robert G. Heft's design was chosen.

CAMP PENDLETON, Calif. -- MV-22 Ospreys replaced the Marines' last squadron of CH-46E helicopters Thursday, officially ending the Sea Knight's 50-year run as the troop and supply transport work-

More than 600 CH-46s, affectionately known as "Battle Frogs," were produced over the years, but on Thursday, just two remained. One is destined to join dozens of others in the "boneyard," a storage space for retired aircraft, while the other -- a shiny green model that flew missions in Vietnam -- will go to the National Museum of the Marine Corps in Quantico, Va.
