

## MOTION MADE AND TABLED TO RELOCATE DETACHMENT

At the November meeting, a motion to relocate the detachment's monthly meetings was made. After much discussion, the motion was tabled for 2 months in order to allow members to comment. A vote will be taken at the January meeting on whether to move the detachment. If you are unable to attend a meeting between now and the January meeting, please submit your written comments to the Judge Advocate, Ray Sturm, who will read them at the next meeting. His email is Bandit6A@gmail.com. Remember, you must be present to vote. No proxy votes are permitted under the bylaws. This is a very important topic. We need your input.

## DECEMBER MEETING MOVED UP A WEEK

As in previous years, the detachment has moved its December meeting up one week to accommodate the Christmas holiday.

We will meet on 19 December.

The Commandant has promised a quick business meeting, followed up by some good chow and an open bar.

Please bring your favorite dish to share. If you are not much of a cook, or simply lack the time to prepare something, be creative. Bring a dessert, salad, or anything else you'd like to share.

ALL THE NEWS THAT'S  
FIT TO PRINT.. AND  
SOME THAT ISN'T

Greetings Marines,

I trust everyone has recovered from Round One of the holiday season.

I want to remind everyone that our December detachment meeting is on 19 Dec, not the 4th Monday as usual. Please bring a covered dish, some dessert, or anything else to share after the meeting.

As you know, the Commandant has been seeking input on possibly moving the detachment from its current home at Post 160. There are a few places that have offered to accept us if we decide to move. This is a big decision and one that should not be made lightly.

At our last meeting, a motion was made to move the detachment. We are now out of the exploring options phase. The Commandant rightly tabled

the motion in order for members to comment on the proposal. He, and the Board of Trustees, NEED your input.

If you want to be part of the decision, please attend our next two meetings. They will be critical to the future of the detachment.

I had the opportunity to attend the Charter Ceremony for a new detachment. The Peacemakers Detachment will be "down the shore" covering the Ocean City area. They are already a very active unit.

Lastly, I would like to wish all of you and your families a very Merry Christmas and safe holiday season.

Semper Fi,

Ray Sturm

# Next Detachment Meeting

## 19 December

## COMMANDANT'S CORNER

Marines,

Merry Christmas to all of you.

First let me start out by saying that at our November detachment meeting, a motion was made, seconded, and discussed to move the detachment to a new location. I tabled said motion for two months. I'm looking at 2 locations. The detachment has reached out to the VFW Commander and received no response. We'll try once more to see what the progress on VFW repairs is.

Next on December 19th, we will hold our meeting and Christmas party. Please bring a dish or contact me and let me know what you are bringing. Here is the list so far:

Commandant: Chicken strips  
Sr. Vice: Bar-B-Que  
Jr. Vice:  
JA: Rice Pudding  
Adjutant:  
Sgt-at-Arms: Pasta Salad

Shifting gears another Marine approached me from L/CPL Hettchen Det. asking about help with Ukraine Relief Project. I think this is a great idea to help with, one I'm part Ukraine from my mom's father who immigrated in 1911, and also a Marine. See is a list of needs on Page 5.

Senior Vice and Associate Member Ms. Jane Huffman also are starting a Christmas 50/50 raffle for detachment fund raising. See Ms. Jane on Facebook. I'm also hawking raffle tickets to raise funds for MER-LIN Pack kitty.....WOOF-WOOF. It's a 300 Blackout on AR platform, Maryland legal.

Lastly, I have tickets for our 2023 Annual Cash Raffle for the Department of Maryland.

Remember all our Marines, service men & women that stand ready to defend especially all those that are forward deployed. That is all.

# Maryland county celebrates unveiling of memorial for Medal of Honor recipient Sgt. Alfred Hilton

Oscar Hilton Jr., the great-great-great nephew of Sergeant Alfred B. Hilton, studies the memorial dedicated to his ancestor Sergeant Alfred B. Hilton after the unveiling of the memorial in David Craig Park in Havre de Grace Friday, November 4, 2022. (Matt Button, The Aegis/TNS)

(Tribune News Service) — Harford County on Friday celebrated the unveiling of the Sgt. Alfred B. Hilton Memorial at the David Craig Park. The memorial commemorates Harford County's only Medal of Honor recipient.

The Havre de Grace site features a picture of what is believed to be Hilton and his unit and the flags of Hilton's country, state and county. Hilton's personal history is engraved on the back of pictures of Hilton's unit.

Hilton is one of 16 Black Union Army soldiers who received the Medal of Honor for their service during the Civil War.

According to the the Sgt. Alfred B. Hilton Memorial Fund, Hilton was born in the Hopewell area of Harford County, now Level, around 1842 to Harriet and Isaac Hilton, free citizens who had formerly been enslaved in the county.

Hilton enlisted with the 4th Regiment United States Colored Troops in 1863 and was made a color bearer in 1864, tasked with carrying the national flag into battle.

On Sept. 29, 1864, Hilton and his regiment advanced ahead of Union troops against entrenched Confederate defenses at Chapin's Farm outside Richmond, Va. — a critical engagement during the war, according to the foundation. Hilton was wounded but continued to advance, picking up the regimental standard from another fallen soldier and carrying the national and regimental flags forward until he was unable to go farther.

### MDVA Cemetery & Memorials Program

The State of Maryland and the Maryland Department of Veterans Affairs (MDVA) are honored to offer our veterans and their eligible dependents a final resting place at one of five MDVA state veterans cemeteries.

The MDVA State Veterans Cemetery Program is one of the largest state cemetery programs in the nation with locations in Allegany County, Anne Arundel County, Baltimore County, Dorchester County and Prince Georges County.

The Memorials program staff are responsible for several Maryland Memorials: the World War II Memorial, the Korean War Memorial, the Vietnam War Memorial and the Gold Star Families Monument. MDVA has seen an increase in individuals and groups volunteering to help at the Memorials in the last year, including landscaping and clean-up activities. We appreciate the many people who have volunteered to help us keep the Memorials in excellent condition.

## FREE ENTRANCE TO NATIONAL PARKS FOR GOLD STAR FAMILIES AND VETERANS

The National Park Service in partnership with Operation Live Well would like to thank military personnel and their families for their service and invite them to enjoy their national parks.

The free Military Pass is a way to thank current US military members and their dependents, Gold Star Families, and US military veterans for their support of our country and to encourage them to explore recreational opportunities on their public lands and waters.

A free **lifetime Military Pass** is available for Gold Star Families and US military veterans. A free **annual Military Pass** is available for current US military members and their dependents. The passes provide free access to more than 2,000 federal recreation areas, including national parks, wildlife refuges, and forests.

### What is the Military, Veterans, and Gold Star Family Free Access Program?

The Interagency Military Pass covers entrance fees and standard amenity fees (day use fees) at lands managed by the National Park Service, US Fish and Wildlife Service, US Forest Service, Bureau of Land Management, Bureau of Reclamation, and US Army Corps of Engineers for current US military members, and dependents of current military members, US military veterans, and Gold Star Families. In recent years, they were able to receive annual passes. The new interagency Military Lifetime Passes will be available starting November 11, 2022.

The free Military Pass waives entrance fees and does not cover expanded amenity or user fees for activities such as camping, transportation, special recreation permits, reservation fees or special tours.

### Who is eligible to get a free Military Lifetime Pass as a veteran?

For purposes of this program, a veteran is identified as an individual who has served in the US Armed Forces, including the National Guard and Reserves, and is able to present one of the following forms of identification to get the Interagency Military Lifetime Pass when entering a national park:

- Unexpired Department of Defense Identification Card (DD Form 2, DD Form 2765, or Next Generation USID replacement)
- Veteran Health Identification Card (VHIC)
- Veteran ID Card
- Veterans designation on a state-issued US driver's license or identification card

## Did you know...?

### AMERICANS FIRE FIRST SHOT AT PEARL HARBOR

The first of many Pearl Harbor facts many people don't realize is that on the morning of December 7th, 1941, the Wickes-class destroyer USS Ward attacked and sank a Ko-hyoteki-class midget submarine near the entrance to the harbor, making it not only the first shot fired on that day, but the first official American shots in the War. The minesweeper Conдор spotted the Japanese sub's periscope above the water, which alerted the crew of the Ward, who opened fire on the intruder. Unfortunately, the reports from the Ward were discounted and disbelieved by Navy brass. Something they'd pay dearly for. The ship's crew didn't get confirmation that they'd sunk the submarine for over 60 years.

### ATTACK ON PEARL HARBOR LASTED 75 MINUTES

The Japanese attacked military airfields at the same time they hit the anchored fleet. The Navy air bases at Ford Island and Kaneohe Bay, the Marine airfield at Ewa and the Army Air Corps fields at Bellows, Wheeler, and Hickam were all bombed and strafed as other elements of the attacking force began their assaults on the ships moored in the Harbor. The purpose of the simultaneous attacks was to destroy the American planes before they could fly and intercept the Japanese.
