MDVA Secretary George Owings Participates in Marines Helping Heroes Golf Tournament

Secretary George Owings has been a friend and member of the detachment for a number of years. He always participates in our annual charity golf outing. This year, was a family event as he is seen here with his grandson, and youngest golfer. Don't laugh, he said he wouldn't need any Mulligans, and from what this author saw, he didn't. Thank you for your support, Mr Secretary.

NEWSLETTER EDITOR

ALL THE NEWS THAT'S FIT TO PRINT.. AND SOME THAT ISN'T

I need to start this with an apology. I'm sorry this newsletter is so long. As the editor, I simply couldn't edit it. We had a ridiculously busy month and there is much to report.

This edition is very heavy with photos. With over 300 golf photos to chose from, I whittled it down to about 30. I hope you enjoy them. It was a fun event and it's reflected in the photos.

I also have to apologize for getting this edition out a little late. With all of our events, this was the best I could do.

Our Young Marines were also very busy over the last 30 days

or so. They deserve to be recognized. I hope you enjoy their photos as well.

If you plan to attend the **National Convention** in Daytona, please let the Adjutant know. He will include you as a Delegate.

Semper Fi,

Ray Sturm

9-8-8

Beginning in July, 9-8-8 will be the **National Suicide Prevention Hotline.**

We are all used to calling 9-1-1 to report an emergency. This new number is designed to save lives also. However, it is only effective if people know it. **PLEASE PASS THE WORD.**

COMMANDANT'S CORNER

Marines,

By the time you read this, the department convention is over and the MHH golf tournament is also. Next up is the 5k fundraiser run for MHH.

I'll be attending mid-eastern division conference. Hopefully I'll learn something at the meeting. I have my crayons & paper ready.

Once again, I'm speechless about receiving Detachment Marine of the Year. I would like to thank everyone for this award.

Marines, we need to recruit. I understand this is a tough endeavor. Active-duty Marines rotate and those getting out just want to adjust to civilian life and raise a family. Let's make potential and current members feel needed and their input valued.

Last thing, there will be pizza at next meeting. If you would like to bring something, it would be greatly appreciated.

THAT IS ALL

Semper Fi,

Burt

SENIOR VICE COMMANDANT

Marines,

As most have seen or heard the 16th annual golf tournament was a great success and I would like to thank everyone who gave up their day to help us out. We are already planning for next year.

We will start meeting soon for the MHH 5K run which will be September or October and once again we will need volunteers for this event.

I am going to work with Mrs. Jane to start some fund raisers so stand by.

Semper Fi

Ben Wells

JUNIOR VICE COMMANDANT

Marines,

Plan ahead! Annual dues are due by August 31st, but do not wait until the last minute to pay your dues. Please send in your dues of **\$35.00** to:

**A.A. County Detachment 1049
Marine Corps League
Post Office Box 804
Severn, Maryland 21144-0804**

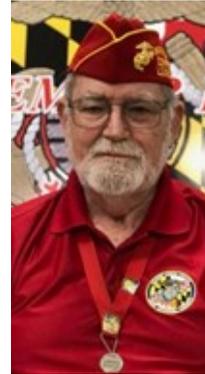

Semper Fi,

Joe Wright

CHAPLAIN

Another successful golf tournament is behind us. Those responsible for that success are the same group of volunteers who have made this event an annual highlight for many years. The money that was raised directly benefits our fellow Marines and other deserving members of our community. We cannot thank enough the golfers whose generosity is above and beyond all expectations. Every cash prize, including the 50/50 was returned for the benefit of a Marine who is currently undergoing Hyperbaric Oxygen Therapy (HBOT) in Houston, Texas. We are indeed fortunate to have such outstanding Americans on our side.

Fall is fast approaching and with it our next event, the 5K run. The run is always fun for friends and family, and it provides an opportunity to do that exercising that we are all inclined to put off. Plan on putting a group together for an enjoyable day. Details to follow as soon as they become available

Semper Fi, Bill Collins-Chaplain

MARYLAND DEPARTMENT OF VETERANS AFFAIRS RECOGNIZES WOMEN VETERANS IN STATE SERVICE

The Maryland Department of Veterans Affairs (MDVA) recognized women veterans who are now state government personnel. The recognition ceremony, held at the Miller Branch Library in Ellicott City, was one of several events planned to celebrate Women Veterans Day on June 12. The department selected eight women out of 50 nominations from four agencies including the Department of Public Safety and Correctional Services, Department of Health, Public Service Commission, and Maryland Environmental Service.

“Women have bravely served in the military since the Revolutionary War and it is no surprise that some of today’s women veterans continue to serve in state government,” said Governor Hogan. “This recognition ceremony raises awareness of the service of women veterans and honors their commitment to our nation and state.”

Memorial Day Message from MDVA Secretary George W. Owings III

As a Veteran, Memorial Day resonates very deeply with me. We gather together each year to remember the many brave men and women who perished in service to our nation.

On Monday, May 30, we will host ceremonies at four of our state veteran cemeteries: Crownsville, Eastern Shore, Garrison Forest, and Rocky Gap. Additionally, ceremonies will be held at our World War II Memorial and Vietnam Veterans Memorial. For ceremony times and locations please visit [our website](#).

If you visit our World War II Memorial, please walk north of the site, and pause to reflect at our Gold Star Families Memorial Monument. This monument pays homage to family members who lost a loved one in service to our country.

Again, please take a moment this Memorial Day to honor the hundreds of thousands of service members who gave their lives so that we may remain free.

Sincerely,
George W. Owings III

GERMAN TROOPS ATTACK AMERICAN FORCES IN FRANCE

On June 2, 1918, the German 28th Division attacked American troops on the Paris-Metz Road, hitting the American 2nd Division, including the 4th Marine Brigade. The Marines opened fire with deadly accuracy, helping hand German troops a setback that set the stage for Marine victory at Belleau Wood which would soon follow.

24th MEU RESCUES AIR FORCE PILOT

On June 8, 1995, a Marine recovery team from the 24th Marine Expeditionary Unit stationed on board the *USS Kearsarge* rescued American pilot Captain Scott O'Grady, USAF, who had been shot down over Bosnia six days earlier.

FLAG FLIES CONTINUOUSLY AT MARINE CORPS MEMORIAL

On June 12, 1961, President John F. Kennedy signed a Presidential Proclamation calling for the American flag to be flown at the Marine Corps War Memorial in Arlington, Virginia, "at all times during the day and night."

The proclamation came as a result of discussions between the Attorney General's office and Marine Corps officials earlier that year on improving the visibility and appearance of the monument.

NORTH KOREAN TROOPS INVADE SOUTH KOREA

On June 20, 1950, eight divisions of the North Korean People's Army crossed the 38th Parallel and invaded the Republic of Korea shortly before dawn. Within three days, Seoul, the capital city of South Korea, had been captured.

10 days later, on June 30, President Harry S. Truman ordered a naval blockade of the Korean coast and authorized the sending of U.S. ground troops to Korea. Two days later, General Douglas MacArthur, the Commander in Chief Far East, formally requested that a Marine regimental combat team be deployed to the area.

LEWIS "CHESTY" PULLER IS BORN

On June 26, 1898, Lewis "Chesty" Puller, the most decorated Marine in history, was born in West Point, Virginia.

Puller would enlist in the Marine Corps in 1918 during World War I (although he didn't see action during that war) and in 37 years of service, he served in numerous conflicts during the "Banana Wars," including the Occupation of Haiti and the Occupation of Nicaragua, World War II, including the Battles of Guadalcanal and Peleliu, and the Korean War, including the Battle of Inchon and the Battle of the Chosin Reservoir.

By the time he retired in 1955, Puller was (and still remains) the most decorated Marine in the history of the Corps. Puller is one of only two American servicemen to be awarded five Navy Crosses (the other being Rear Admiral Roy Davenport) and, with the Distinguished Service Cross awarded to him by the U.S. Army, he is the only serviceman to have been awarded the nation's second-highest military awards for valor six times.

Memorial Day Weekend

The Anne Arundel Young Marines, Maryland Regiment, had an event packed Memorial Day weekend. The Young Marines began their three days of remembrance on Saturday by participating in joint **Flag Laying Ceremony** with the Boy Scouts at Crownsville Veterans Cemetery in Crownsville, MD. At each gravesite, the Young Marines paused, saluted, gave thanks, and solemnly placed a flag in gratitude of the veteran's sacrifice.

On Sunday, the unit held a **Graduation Ceremony** to welcome two new Young Marines as they became full members. There is no better way to begin a Young Marines career than on a weekend that honors sacrifice and commitment.

On Monday, the Young Marines continued their tradition of participating in the **Annapolis Memorial Day Parade**. The Young Marines' enthusiasm and pride were evident throughout the event. However, their chests swelled, and backs straightened just a bit as they turned onto historic Main Street, and saw
