JACKET VELA

ANATOMIE SS26

Our SS26 collection captures a journey through Mexico, drawing inspiration from the vibrant culture of Oaxaca and the small towns that lead to the sun-drenched paradise of Punta Mita.

The collection's color palette evolves like a traveler's odyssey, beginning with bold red, sleek black and sophisticated greys, symbolizing the energy of Oaxaca festivals.

As the journey progresses, and the weather gets warmer, the color palette transitions to warm earth tones and delicate touches of rose capturing the colors we see as we explore the countryside and beautiful towns.

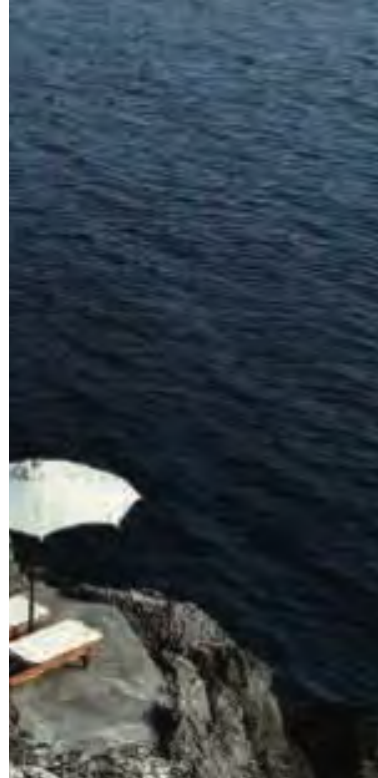

As we reach the charming coastal town of Punta Mita, we bring in shades of blue and green alongside summer white, capturing the essence of boat and beach life.

This collection adds an additional capsule to celebrate the World Cup and Mexico's favorite and most popular sport.

Each piece in the collection is designed to seamlessly blend comfort, versatility, and elegance, catering to the eclectic tastes of Anatomie's worldly women.
