

Love Letters: A Textile Workshop

with Elaine O'Neil and Ali Givens

Saturday Feb 8 2020, 10am to 4pm
at Ali's house (3611 Mijos Ln)

Two friends come together to teach you how to compose and create your own art quilt using letters as inspiration. We have all saved important letters from our lives — memories of people, places, and experiences. Handwritten letters connect us in a very extraordinary way to the people who wrote them. With two very distinctive styles in textile design, we offer a unique ability to help you find your own voice. We will transfer your letters to fabric to incorporate them in each piece. You will leave the workshop with an original work of art created by your own hands but guided by ours. Come create with us!

Participation limited to 12.
\$325 (sign up today with a \$50 deposit).
