Experience

Saint Louis Community College	Saint Louis, MO
<i>Professor of Computer & Information Technology</i>	<i>September 2025 - Present</i>
❖ Taught in-person collegiate-level courses covering computer & information technology. ❖ Presented technical information to large audiences of students from varying backgrounds.	
Centene	Saint Louis, MO
<i>Healthcare Data Analyst</i>	<i>November 2022 - July 2025</i>
❖ Worked in a scrum team, writing advanced SQL scripts and delivering analysis on technical solutions. ❖ Analyzed and delegated incoming data requests to the appropriate data analysts. ❖ Independently presented data and visualizations to technical, and non-technical audiences. ❖ Individually identified over \$6 million in savings in 2023 by identifying overpayments in billing. ❖ Contributed to \$300 million in savings in 2024 through exploratory data analytics. ❖ Built hospital contract models in Excel (XLOOKUP, Pivot Tables) to track savings initiatives over time.	
Ferguson-Florissant School District	Saint Louis, MO
<i>Data Science Intern</i>	<i>May 2020 – November 2020</i>
❖ Utilized R/R-Studio to perform predictive data analytics on student data to improve educational outcomes. ❖ Utilized Excel to generate reports for the director of research and evaluation.	
Know Ink	Saint Louis, MO
<i>Software Technician, Bug Tester, Warehouse Hand</i>	<i>May 2017 - August 2018</i>
❖ Configured voting software on mobile voting booth devices, as well as function and stress testing the software. ❖ Assisted with loading and unloading packages in the warehouse.	
ATA Taekwondo – Rock Hill	Rock Hill, MO
<i>Assistant Instructor</i>	<i>January 2014 – December 2016</i>
❖ Taught adult and children's Taekwondo & Brazilian Jiu Jitsu classes. ❖ Active member of the tournament team, trained through the certified instructor training program.
