

“Empowering Lives Through  
Quality Support”

**Catalyst Support Services** is a trusted disability and aged care support organisation serving the Darling Downs, Western Downs and Ipswich Region, with our Head Office based in Toowoomba and Chinchilla. We are committed to providing high-quality, person-centred support to individuals and families in our community.

Our experience and compassionate team work closely with participants and their families to ensure care is delivered with dignity, respect and understanding.

Our goal is to help people maintain their independence while improving their well-being and quality of life.

Catalyst Support Services proudly supports adults and children living with disabilities, medical conditions, or age-related challenges, providing reliable and compassionate care across the Darling Downs and Western Downs communities.

## OUR NEW SERVICES TO SUPPORT YOU

### WHY CHOOSE US?

#### We Listen to You

“Your goals, needs, and choices guide how we support you”

#### Caring and Experience Team

“Our Support Staff will treat you like family, with respect and compassion.”

#### Reliable and Flexible

“We’re here when you need us, helping you live your life your way”

#### Committed to Quality

“We constantly improve our services to keep you safe, happy, and supported.”

Through **Community Access**, we help you do what you love, with support you can trust

Our **Supported Independent Living (SIL)** Program is designed to give you the freedom to live your life your way, while still having support available whenever you need it.

Our **Behaviour Support** services help you develop strategies to promote positive behaviour, well-being, and independence.

Our **Community Nursing** services provide professional nursing care in the comfort of your own home. Whether you need ongoing medical support, post-hospital care, or help managing a health condition, our qualified nurses are here to provide safe and compassionate care.

Want to know more? Use the QR Code for FAQs link:

### Need Nursing Care at Home?

Our Registered Nurses (RN) can provide professional support with **medication management, wound care, complex bowel care, dysphagia management, and enteral feeding**, helping you stay safe and comfortable in your own home.

### Professional Behaviour Support at Home

Our team works closely with you to manage **challenging behaviours, support emotional regulation, develop social skills, positive behaviour strategies, and implement personalised behaviour support plans.**
