

Application form

Ordinary shares Application

This application for Green Planet Recycling Solutions Ordinary shares.

If you are in any doubt regarding the investment of GPRS shares, please contact your accountant or financial advisor, these are Ordinary shares offered

The founders are offering a limited supply of ordinary shares to build the resource recovery centre.

Once this application is completed and lodged to GPRS the Commitment of interest to purchase ordinary shares at first release, value of \$1.00 per share. You have committed to the support building the resource recovery facilities, 100% Public owned company

I _____ of _____ Understand that this Application form lodged support to purchase available shares from the founders and understand that not necessarily will I be offered the full amount requested for support.

I also understand that any time thereafter you can sell back these shares to the founder, agent, or they will find new buyer for these shares to purchase from you at the market value until such date that the company has been approved to trade on the ASX.
