

THE LISTENING POST

APRIL 2025

Pastor Niki's Ponderings

We've been talking a lot about power during this season of Lent. I've shared in my preaching and in last month's newsletter the ways in which Jesus turned power on its head when he walked this earth. And in the next few weeks, we will get to gather and observe the day in which the seemingly indisputable power of death did not get the last word.

At times, I fear that we have become too accustomed to the story of Easter. I don't know if it's the chocolate crosses or the green plastic basket grass that never seems to stay in the trash, but I think perhaps it has become one of those

"we've heard this so often, we know how it goes" stories. Modern medicine keeps us healthier and alive longer than at any point in history. Defeating death almost feels like something that's done on a regular basis in ambulances and operating rooms. There's a lot of power in the scientific knowledge that we now have at our fingertips. And yet, as many of us know, sometimes even that is not enough to defeat death for the ones we love.

For all of the power that we wield, for all of the power that is held over our own heads and lives, there is nothing that is equal to the power that was shown that morning nearly two thousand years ago. Life overcame death. Joy overcame sorrow. Love overcame hate. We cannot forget that. No matter what, we cannot forget that.

Let us continue to love with the power of Jesus Christ. Amen.

Our enrollment has climbed to 79! Our next packing day will be Wednesday, April 16 at 3:00 p.m. We have various jobs that our volunteers would love to share with you. For instance, picking up food from our suppliers, transporting food bags to the school, unpacking our supplies and stocking the shelves and packing for the kids delivery days, and shopping (sometimes our orders don't reach us in a timely manner and volunteers go to Sam's Club, etc. to fill the void.) Whatever you might do will be greatly appreciated! *Candy*

We are pleased to announce that Food 4 Kids has received another blessing from the SW PA Lutheran Synod, via the Ethyl Verney Grant program. The grant is for \$9,950 and will be distributed quarterly to Food 4 Kids. This is the second time the SW PA Lutheran Synod has so generously responded to the needs of this “back pack” program which provides food for elementary students on weekends during the school year. *(This volunteer program has no administrative costs. All donations are used for program supplies.)*

STEWARDSHIP AND FINANCE

\$\$ PER CAPITA \$\$

Through Feb. 17 this year we have received \$1605.68. Thank you to those who have paid their per capita. Last year at this time we had received \$2,267.90 so we're a little behind and our commitment this year is \$4,159.44. To date, our monthly payment due will be \$255.38 vs. last year's monthly payment of \$143.47. **We welcome your commitment to help lower the cost to the church. Thank You!**

AUPC FINANCIAL UPDATE—

I would like to keep you all apprised on the financial status at AUPC. Last Wednesday, the Session approved the following critical building maintenance updates: \$39,600 for the purchase of two new boilers for the Education Building, \$5,774 for ceiling replacements in two rooms in the sanctuary building, and \$3,200 for painting in those two rooms (later lowered to \$3,000). Because our Building Fund balance was approximately \$27,000, we voted to close two \$11,000 c.d.'s (at penalty) to come up with the difference. This leaves our Building Fund at a near \$0 balance. Another much-needed project for the near future is repairing the steps to the upper parking lot. The Building and Grounds Team is currently getting bids for that project. PW voted on Sunday, March 23, to donate \$3,000 to the Building Fund, and our spaghetti dinner grossed \$1,371.25 towards that fund as well. Many thanks to those who organized and worked at the dinner, and to

the very active women's organization for stepping up to the plate! We ARE blessed that we had savings to complete these projects. God is good!

I also have to let you know that we are showing a shortage each month with income vs. expenses. That shortage at the end of February was \$3,222.10, year-to-date. Of course, our utility bills are killing us during the winter months, and we should see some relief with the Spring weather.

We would like you to consider making a donation to our Building Fund to shore up that Fund, and to consider a small increase in your regular giving as you are able.

♥ **Malachi 3:10: "Bring the whole tithe into the storehouse, so that there may be food in my house. Test me in this," says the Lord Almighty, "and see if I will not open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it."**

We are so blessed to have a wonderful, compassionate congregation and a beautiful sanctuary and education building, and to continue to reach out into the community and the world to support our mission statement--"Wrapping our community in God's love, one person at a time." Thank you, dear friends!

Many thanks to John Fouse and his fantastic crew who made AUPC’s recent Spaghetti Dinner fundraiser a great success! Thanks also to all those who donated the many, delicious desserts. And, we’d be remiss to not thank all our local businesses who generously donated food and supplies, making this event possible.
