Essay from [*This Beloved Road Vol. II: Into the Source.*](#)

1. Where do you recognize God in the role of *builder* in and around you?
2. What pieces do you see coming together unexpectedly or better than anticipated?
3. How does it alter your perspective to know God is so intentional about you?

*"I would have lost heart, unless I had believed that I would see
the goodness of the Lord In the land of the living."* Psalm 27:13 NKJV
