Essay from *This Beloved Road Vol. II: Into the Source.*

1. What is your definition of *grace*?
2. How does it make you feel to know God's grace includes His desire to give you *His* strength, peace, wisdom, hope (*and more*) as you walk with Him?
3. In what area are you overwhelmed or carrying a heavy burden? Confess it openly to Jesus, hold out your hands as a symbol of giving it to Him, and ask for His Spirit to fill you in return.

"I would have lost heart, unless I had believed that I would see the goodness of the Lord in the land of the living." Psalm 27:13 NKJV
